Basic Medication Administration Training:

Basic Medication Administration Skills Lena L. Deter, 2006 Basic Medication Administration Skills provides unlicensed assistive personnel with the basic knowledge and skills needed to perform medication administration safely and effectively under the clinical direction of the health care provider and supportive clinicians. The book is written specifically for a medication aide course or training for unlicensed direct care staff working in community settings such as those providing direct care for individuals with mental health and developmental disabilities, nursing assisting long term care facilities, nursing homes, residential care homes, assisted living facilities, home care, hospice, full time residential programs, public and private schools, and physician's offices or practices.

The Essential Survival Medicine Guide: Preparing for Self-Sufficient Care Augusta Hunt, 2025-04-02 Prepare for the unexpected with the definitive survival medicine guide equipping you with the knowledge and skills to care for yourself and others in any emergency. This comprehensive resource covers essential first aid, wound treatment, pain management, and managing common illnesses and injuries in the absence of modern medical facilities. Discover how to identify and utilize medicinal plants, purify water, and set up a sustainable shelter. Whether you're an outdoor enthusiast, prepper, or simply seeking peace of mind, this book empowers you with the ability to handle medical emergencies with confidence. Practical step-by-step instructions, detailed illustrations, and expert advice guide you through each procedure, empowering you to stay healthy and safe. From treating burns and fractures to preventing infection and reducing pain, this guide is indispensable for anyone serious about self-sufficient care. Its user-friendly format and portable size make it an essential companion for your backpack, bug-out bag, or home survival kit. Gain the knowledge and skills to thrive in any situation, ensuring your well-being and peace of mind. Embrace the power of preparedness and secure your health and safety with The Essential Survival Medicine Guide.
