the Bible Old Testament Apocrypha and New Testament I decided to write this book because I noticed camps conflict against other camps with their understanding of The Law This controversy created confusion when I personally apply The Law in my daily life Therefore I began to read the Bible myself This book is my third edition but my first edition is me merely taking notes and I share my comments publicly For me to get an exegesis of The Laws is to watch ISRAELITES prophesying on YouTube One can do the work themselves and we do Nevertheless a full comprehension of The Law is clunky to obtain in one sitting when watching one video then another video and then rewind just to fast forward to get a concept of The Law clearly I conclude we need The Laws interpret and written This is my third edition fourth iteration which means this craft is polishing not perfect and one person nor one camp is not the authority of interpreting The Law A consortium of us can very well perfect the interpretation of The Law The rule of thumb I figure to mostly include and eliminate sacrifice and offering Laws Laws that reasonably but objectively apply to all thirteen Tribes planetwide in today s time There are Laws are situation or system specific but the vast majority of The Laws apply to all genders all Tribes and regardless of your location on Earth I have found 303 Laws This standard deviation is not intended to violate Deuteronomy 4 2 and Revelation 22 18 19 OperationShutDownEarth OperationTakeOverEarth 2 Esdras 13 38 Bitcoin 1L6Unf8KT4Xb9Ws8pTeyY4HbsmXSpyLSa1 Facebook Twitter Instagram Snapchat PayPal Venmo Cash App Google Pay TikTok Gmail Yahoo Mail EdomSlaves4Sale
