

Battle Of Antietam

Terri Dougherty, Terri Sievert

Battle Of Antietam:

Landscape Turned Red Stephen W. Sears, 2015-02-03 The best account of the Battle of Antietam from the award winning national bestselling author of Gettysburg and Chancellorsville The New York Times Book Review The Civil War battle waged on September 17 1862 at Antietam Creek Maryland was one of the bloodiest in the nation s history in this single day the war claimed nearly 23 000 casualties In Landscape Turned Red the renowned historian Stephen Sears draws on a remarkable cache of diaries dispatches and letters to recreate the vivid drama of Antietam as experienced not only by its leaders but also by its soldiers both Union and Confederate Combining brilliant military analysis with narrative history of enormous power Landscape Turned Red is the definitive work on this climactic and bitter struggle A modern classic The Chicago Tribune No other book so vividly depicts that battle the campaign that preceded it and the dramatic political events that followed The Washington Post Book World Authoritative and graceful a first rate work of history Newsweek

Battle of Antietam Tom Streissguth, 2016-08-15 This title covers the Civil War s deadliest one day battle discussing the critical elements of strategy tactics and leadership that led to a Union victory Gripping narrative text historic photographs and primary sources make the book perfect for report writing Features include a glossary additional resources source notes and an index plus a timeline and essential facts Aligned to Common Core Standards and correlated to state standards Essential Library is an imprint of Abdo Publishing a division of ABDO

The Battle of Antietam Larry Hama, 2006-08-15 By the 1850s there were many economic and political differences between the Northern and Southern states in America The biggest difference was over the issue of slavery The South s economy depended upon slaves to work the plantations that grew crops such as tobacco and cotton In the North slavery was illegal When Abraham Lincoln an antislavery candidate was elected president in 1860 the South believed that their way of life would be destroyed Soon after South Carolina seceded or left the Union More Southern states followed They formed the Confederate States of America a separate government Anger built between the two sides Finally on April 12 1861 Southern forces bombed Fort Sumter in South Carolina Over the next four years many bloody battles were fought but none more terrible than the Battle of Antietam on September 17 1862 On that day more than 23 000 American soldiers were killed or wounded more than on any other day in U S history Book jacket

Battle of Antietam Staff Ride Guide Ted Ballard,

Battles of the Civil War Daniel Rosen, 2011

Guide to the Battle of Antietam, the Maryland Campaign of 1862 Jay Luvaas, Harold W. Nelson, 1996 America s bloodiest day the Battle of Antietam on September 17 1862 left more dead American soldiers in its wake than any other 24 hour period in history Antietam and the related battles of the Maryland Campaign that led up to the lethal confrontation did not result in decisive defeats for either side But they did serve as a brutal warning to an outgunned outcommanded and outorganized Union army Eyewitness accounts by battle participants make these guides an invaluable resource for travelers and nontravelers who want a greater understanding of five of the most devastating yet influential years in our nation s history Explicit directions to points of

interest and maps illustrating the action and showing the detail of troop position roads rivers elevations and tree lines as they were 130 years ago help bring the battles to life In the field these guides can be used to recreate each battle s setting and proportions giving the reader a sense of the tension and fear each soldier must have felt as he faced his enemy The Bloodiest Day Ronald H. Bailey,1984 Narrative outlines the Battle of Antietam during the Civil War Antietam John Michael Priest,Jay Luvaas,2014-05-21 The best battlefield first person compilation I have read Here it all is the tactics the movement the truth about warfare The Civil War Times In Antietam The Soldiers Battle historian John Michael Priest tells this brutal tale of slaughter from an entirely new point of view that of the common enlisted man Concentrating on the days of actual battle September 16 17 and 18 1862 Priest vividly brings to life the fear the horror and the profound courage that soldiers displayed from the first Federal cavalry probe of the Confederate lines to the last skirmish on the streets of Sharpsburg Antietam is not a book about generals and their grand strategies but rather concerns men such as the Pennsylvanian corporal who lied to receive the Medal of Honor the Virginian who lay unattended on the battlefield through most of the second day of fighting his arm shattered from a Union artillery shell the Confederate surgeon who wrote to the sweetheart he left behind enemy lines in Harrisburg Pennsylvania that he had seen so much death and suffering that his head had whitened and my very soul turned to stone Besides being a gripping tale charged with the immediacy of firsthand accounts of the fighting Antietam also dispels many misconceptions long held by historians and Civil War buffs alike Seventy two detailed maps which describe the battle in the hourly and quarter hourly formats established by the Cope Maps of 1904 together with rarely seen photographs and his own intimate knowledge of the Antietam terrain allow Priest to offer a substantially new interpretation of what actually happened *Battle of Antietam Hourly History*,2016-10-30 The Battle of Antietam was a turning point in the Civil War In the span of several hours there would be more loss of American life than in any other battle before or since leaving one in four of the soldiers who took part either dead or wounded by the end of the day Inside you will read about Maryland My Maryland McClellan s Army The Opening Gambit Harper s Ferry Dunker Church The Woods The Cornfield Bloody Lane And much more Explore the Battle of Antietam the bloodiest single day in American history and a turning point in the Civil War This fierce clash paved the way for the Emancipation Proclamation and changed the war s course Perfect for Civil War enthusiasts and military history readers Get your copy today and uncover the story of this pivotal battle **America's Deadliest Day** Terri Dougherty,Terri Sievert,2008-09 Describes events before during and after the battle of Antietam including key players weapons and battle tactics *I Dread the Thought of the Place* D. Scott Hartwig,2023-08-22 In this book the author provides an hour by hour tactical history of the battle beginning before dawn on September 17 and concluding with the immediate aftermath of the battle including General McClellan s fateful decision to not pursue Lee s retreating forces back across the Potomac to Virginia But this is not only an operational history of Antietam the author also offers the reader insight into the experiences of enlisted soldiers the terror of the fighting itself and the

emotional aftermath for those who survived *The Battle of Antietam* James P. Reger, 1996 Examines the events preceding during and after the Battle of Antietam in 1862 *America's Bloodiest Day* William A. Frassanito, 1979 Om den amerikanske borgerkrig 1861-65 Efter General Lee's sejr ved Manassas i september 1862 vendte Sydstaternes hær sig imod nord. Hæren var ledet af General George B. McClellan. I et slag i området omkring Sharpsburg, Maryland, og langs Antietam hvederyggen blev 26000 Union og Confederate mænd dræbt eller såret den blodigste dag i amerikansk historie Battle of Antietam George R. Large, Joe A. Swisher, 1998 This book provides the official history of the Maryland Campaign of 1862 as prepared by the Antietam Battlefield Board. An overview of the events which occurred along with battle maps and maps showing the location of the cast iron tablets erected by the board are provided to orient the reader and assist in identifying the location of the events described. This is a carefully researched, authenticated account of the campaign which ended with the bloodiest single day battle in American history Battle of Antietam Ted Alexander, 2015-08-17 The heavy fog that shrouded Antietam Creek on the morning of September 17, 1862, was disturbed by the boom of Federal artillery fire. The carnage and chaos began in the East Woods and Cornfield and continued inexorably on as McClellan's and Lee's troops collided at the West Woods, Bloody Lane, and Burnside Bridge. Though outnumbered, the Rebels still managed to hold their ground until nightfall. Chief historian of the Antietam National Battlefield, Ted Alexander, renders a fresh and gripping portrayal of the battle, its aftermath, the effect on the civilians of Sharpsburg, and the efforts to preserve the hallowed spot. Maps by master cartographer Steven Stanley add further depth to Alexander's account of the Battle of Antietam Battle of Antietam Staff Ride Guide Ted Ballard, 2009-01-09 Describes the battle on 17 September 1862 when nearly 70,000 Federal troops actually engaged in the battle; nearly 13,000 were killed, wounded, or missing; the approximately 35,000 Confederates engaged lost almost as many. General McClellan's indecision allowed General Lee to withdraw to the safety of the Virginia shore **Decisions at Antietam** Michael S. Lang, 2023-08-18 The Battle of Antietam has long been known as the bloodiest day in American military history, with more than twenty thousand soldiers either dead, wounded, or missing. The Confederacy emboldened after a conclusive victory at the Battle of Second Manassas launched the Maryland Campaign and considered a decisive battle on northern soil as a linchpin to their objectives. As Gen. Robert E. Lee pushed his veteran Army of Northern Virginia deeper into Maryland, Gen. George B. McClellan hastily assembled a refurbished Army of the Potomac. After engagements at South Mountain and Harpers Ferry, Lee concentrated his forces near the small village of Sharpsburg. On September 17, 1862, McClellan attacked at dawn, igniting a battle that raged until sunset. By the end of the following day, Lee's battered army began its withdrawal. The eventual Confederate retreat provided the Lincoln Administration a much-sought-after victory. President Lincoln announced the Emancipation Proclamation just four days later, dramatically altering the very nature of the war. *Decisions at Antietam* introduces readers to critical decisions made by Confederate and Union commanders throughout the battle. Michael S. Lang examines the decisions that prefigured the action and shaped the contest as it unfolded. Rather

than a linear history of the battle Lang's discussion of the critical decisions presents readers with a vivid blueprint of the battle's developments Exploring the critical decisions in this way allows the reader to progress from a sense of what happened in these battles to why they happened as they did Complete with maps and a guided tour Decisions at Antietam is an indispensable primer and readers looking for a concise introduction to the battle can tour this sacred ground or read about it at their leisure with key insights into the battle and a deeper understanding of the Civil War itself Decisions at Antietam is the ninth in a series of books that will explore the critical decisions of major campaigns and battles of the Civil War

Antietam Cynthia Parzych, 2009-09-15 Walk through the battlefield of Antietam with those who fought there The Battle of Antietam waged on September 17 1862 marked the bloodiest single day's fighting in American history Five days later President Abraham Lincoln issued the preliminary Emancipation Proclamation This book brings you face to face as never before with the people and events that shaped this epic event It features An introduction discussing the history and preservation of the present day site A timeline that adds further texture to the history described Concise biographies of key participants A historical tour Where to stay and eat and places to visit nearby Archival and color photos throughout Two PopOut maps an archival map showing the battle as it unraveled and another showing the same location today About the Timeline series These one of a kind books bring you face to face with the people and events that have shaped American history and who have left their mark on some of the nation's most important historical landmarks and locations [Antietam National Battlefield](#) Kevin R. Pawlak, 2019 Approximately 110 000 soldiers of the Union and Confederate armies fought along the banks of Antietam Creek in the bloodiest single day battle in American history In 12 hours of fighting approximately 23 000 men fell either killed wounded or missing forever scarring the landscape around the town of Sharpsburg Established as the Antietam Battlefield Site in 1890 Antietam National Battlefield became a National Park Service landmark in 1933 The park grew from 33 acres in the 1890s to encompassing over 3 000 acres today Some of the Civil War's most recognizable landmarks now sit within its boundaries including Dunker Church Bloody Lane and Burnside Bridge The events that occurred across the fields and woodlots around Sharpsburg and along Antietam Creek bring hundreds of thousands of visitors to Antietam National Battlefield every year Kevin Pawlak serves as a certified battlefield guide at Antietam National Battlefield Antietam National Battlefield is filled with historic photographs of the battlefield and its development from the collections of Antietam National Battlefield Library the Library of Congress the New York Public Library the United States Army Heritage and Education Center private collections and more [That Field of Blood](#) Daniel Vermilya, 2017-09-19 Explore the sites of the American Civil War's Battle of Antietam and its history with this extensive guide September 17 1862 one of the most consequential days in the history of the United States was a moment in time when the future of the country could have veered in two starkly different directions Confederates under General Robert E Lee had embarked upon an invasion of Maryland threatening to achieve a victory on Union soil that could potentially end the Civil War in Southern Independence

Lee's opponent Major General George McClellan led the Army of the Potomac to stop Lee's campaign in Washington D C. President Lincoln eagerly awaited news from the field knowing that the future of freedom for millions was at stake. Lincoln had resolved that should Union forces win in Maryland he would issue his Preliminary Emancipation Proclamation. All this hung in the balance on September 17 the day of the battle of Antietam. The fighting near Sharpsburg Maryland that day would change the course of American history but in the process it became the costliest day this nation has ever known with more than 23 000 men falling as casualties. Join historian Daniel J Vermilya to learn more about America's bloodiest day and how it changed the United States forever in *That Field of Blood*. I highly recommend this book for anyone interested in the Battle of Antietam. Vermilya is a fine author who has done a great service to this series. *Gettysburg Chronicle*: A meticulous and impressively informative read. *That Field of Blood* is a very highly recommended addition to personal community and academic library American Civil War History collections and supplemental studies lists. *Midwest Book Review*: A very good job presenting conclusions and providing a springboard for further discussion about the campaign and its historical consequences. That is what a good historian should do. *Civil War News*: Buy it read it think about it then go to the battlefield. I've always stressed that standing in the very spot where significant historical events took place is essential when attempting to take in the full scale of the history. On the battlefield *That Field of Blood* would make a great companion to the experience. *The Rogue Historian*
