The Ministry of Church Ushers – Complete Guide

Last Updated: November 8, 2020 by EvangelismCoach (<https://www.evangelismcoach.org/author/ecoach/>)

The ministry of church ushers plays a vital role in the hospitality and welcome ministry (<https://www.evangelismcoach.org/fix-your-church-hospitality/>) of the local church.

Together with church greeters (<https://www.evangelismcoach.org/improve-your-greeter-ministry/>), parking lot volunteers, welcome center volunteers, and hospitality hosts, church ushers help the church member, visitor (guest) experience a wonderful worship service.

Church ushers are a significant part of church hospitality system (<https://store.evangelismcoach.org/shop/church-hospitality-review-mp3/>) and fulfill specific duties to accomplish that role.

I've made an attempt at a ministry guide for church ushers.

Divine Callings Richard N. Pitt, 2012-02 One of the unique aspects of the religious profession is the high percentage of those who claim to be called by God to do their work This call is particularly important within African American Christian traditions Divine Callings offers a rare sociological examination of this markedly understudied phenomenon within black ministry Richard N Pitt draws on over 100 in depth interviews with Black Pentecostal ministers in the Church of God in Christ both those ordained and licensed and those aspiring to examine how these men and women experience and pursue the call Viewing divine calling as much as a social process as it is a spiritual one Pitt delves into the personal stories of these individuals to explore their work as active agents in the process of fulfilling their calling In some cases those called cannot find pastoral work due to gender discrimination lack of clergy positions and educational

deficiencies Pitt looks specifically at how those who have not obtained clergy positions understand their call exploring the influences of psychological experience the congregational acceptance of their call and their response to the training process He emphasizes how those called reconceptualize clericalism in terms of who can be called how that call has to be certified and what those called are meant to do offering insight into how social actors adjust to structural constraints Philip's Daughters Estrela Y. Usher's Manual Alfred DeWayne Hill, Sr.,2011-01-31 This is an usher s manual to be used in the Negro churches of the United States Dr Hill demonstrates how contemporary ushering in the Negro church is preceded by the Biblical Porter of the Old Testament and that this work was performed by a Levitical Priest Thus the work of the usher in the church is akin to allowing entrance into the Holy Place wherein dwells the presence of God The Church Usher Robert E. DeGraw,1999

Ushering with a Mission VICTOR L. DAVIS,2012-10 As we enter our church the first person we often see is the usher While many may look at the position of usher as simply a social one it can be so much more In Ushering with a Mission author Victor L Davis presents the first comprehensive guide specifically addressed to the needs of the usher The traditional approach to ushering focused on the task of meeting seating and greeting worshippers The typical training manual addressed techniques ushers should use in carrying out those duties Davis s Ushering with a Mission goes a step further and emphasizes the importance of disciplining the individual usher Ushering is viewed as a ministry rather than a committee or board activity The ministry of ushering is approached from a Christ centered biblical perspective Ushering is not something we simply do because It s our Sunday to usher We do it because it is a lifestyle resulting from the overflow of the Spirit filled life Ushering with a Mission stresses the importance of Bible study prayer and personal evangelism with nonbelievers Ushers will find fellowship with other believers in the Body of Christ as they explore ways to fulfill the great commission and commandment of our Lord and Savior Jesus Christ **A Practical Guide for Church Ushers & Greeters** Joseph

Brewer,2021-01-21 What is an usher He is the can do will do go to guy for his pastor during the services at his church He sets aside his personal desires to serve his pastor the congregation and the guests in attendance He is the smile and extended hand of welcome as you enter the doors to his church He s the guy ready with the answers to your questions or he knows where to get the answers The professional manner in which he conducts himself creates a smooth and seamless

worship experience for all those in his building He s the watchman at the gate keeping an eye out for dangers He has a plan for when unforeseen circumstances arise He is prepared to act decisively when called upon He s the man who will show you to your seat and is entrusted to take up the offering The decision to write this booklet came from the careful study of the somewhat antiquated handout I have been giving my new ushers to read when they begin their role as an usher at our church I ordered several more books on the subject to search for a book that embodied everything I wanted to instill in my team of ushers but my search came up lacking While these handouts and books were great literature they did not quite offer the depth that I was looking to give to my ushers Through this search I found some to be more ritual than helpful while others were very heavy on the theology of ushering and church boards but less practical I wanted something practical and more to the point of how to deal with everyday circumstances in the role of an usher I wanted to find a book that speaks more directly to the reader Since my search result came up empty I decided to write one myself I approach this subject from over twenty years of ushering experience and thirteen years as a head usher I also draw from my twenty five years of working in industrial construction as what is called a Millwright and for a time as an Ironworker During most of my time working in construction I was the foreman on the job Years later I would take from these experiences and apply them in my role being the head usher of my church After more than twenty years of being involved with various ministries in my church all the while being a greeter and an usher I can tell you that in my opinion and experience being a greeter or being an usher is one of the most important ministries you can take part in at your church Being an usher and or a greeter is very rewarding and brings a substantial amount of joy if you approach it the right way It can also be frustrating heartbreaking and at times very intense I have been the head usher in my church since 2007 I m in charge of ushering greeting and security I get to see many aspects of the ministry from various perspectives and I will touch on all three areas in this book My life verse is Psalms 84 10 It reminds me every day of where I want to be in my life and why I do what I do For a day in Thy courts is better than a thousand I had rather be a doorkeeper in the house of my God than to dwell in the tents of wickedness Psalms 84 10 KJV
