Popular Music in Evangelical Youth Culture Stella Lau, 2013-05-07 Christian churches and groups within Anglo American contexts have increasingly used popular music as a way to connect with young people. This book investigates the relationships between evangelical Christianity and popular music focusing particularly on electronic dance music in the last twenty years. Author Stella Lau illustrates how electronic dance music is legitimized in evangelical activities by Christians' discourses and how the discourses challenge the divide between the secular and the sacred in the Western culture. Unlike other existing books on the relationships between music cultures and religion which predominantly discuss the cultural implications of such phenomenon, *Popular Music in Evangelical Youth Culture* examines the notion of spirituality in contemporary popular electronic dance music. Lau's emphasis on the sonic qualities of electronic dance music opens the door for future research about the relationships between aural properties of electronic dance music and religious discourses. With three case studies conducted in the cultural hubs of electronic dance music: Bristol, Ibiza and New York, the monograph can also be used as a guidebook for ethnographic research in popular music.

Crap Lyrics Johnny Sharp, 2012-05-01 Even the greatest songwriters and Spandau Ballet have had the odd bad day at the office. Or more likely a bad few minutes in the studio toilets scribbling the first words they can think of on the back of their tranquiliser prescription shortly before the vocal has to be recorded. Johnny Sharp has trawled half a century of lyrics to find the funniest examples of crippled couplets, outrageous innuendo, mixed metaphors, shameless self-delusion, nefarious nonsense and flagrant filth. Not to mention unforgivable overuse of alliteration. *Crap Lyrics* is a humorous celebration and occasional condemnation of over 120 of the most ridiculous hooks, lines and stinkers from pop poetry through the modern ages. Johnny Sharp has spent 15 years as a music journalist and

several of those years writing for NME under the name Johnny Cigarettes so he knows that ridicule is nothing to be scared of He s serious as cancer when he asks Are we human or are we dancer And where do we go from here Is it down to the lake I fear While moving like a tortoise full of rigor mortis Whether you re a diplomat or even down the Laundromat if you have ever heard a song and thought You what this is the book for you **Becoming Super Woman** Nicole Lapin,2019-09-17 Do you feel daily pressure to keep pushing yourself even when you re stressed and exhausted It s time to leave Superwoman in the movies where she belongs and say hello to being a Super Woman the best most productive and balanced version of the hero you already are For years maybe your entire life you ve been told that success means having it all and doing it all But working more and harder is holding you back not moving you forward In **Becoming Super Woman** New York Times bestselling author Nicole Lapin redefines what it means to be a woman who has it all and shows you how to find lasting success by your own definition on your own terms Nicole candidly shares her own story of career burnout and an emergency hospitalization that prompted her to take her mental health seriously for the first time ever Along the way she discovered that not only was this priority shift not a defeat it was the key to unlocking even greater achievements In her third and most personal book yet Nicole lays out an actionable 12 step plan to guide you in taking control and becoming the hero of your own story with the skills it takes to be a real Super Woman skills we should but often don t learn growing up from productivity hacks to boundary setting She makes the case that the real secret to success doesn t hinge on the hustle or degrees you have but in putting on your own oxygen mask before helping others In fact self care is the biggest asset or liability in our careers when it s on point it can help us soar and when it s neglected it can bring us down faster than anything else Entertaining honest and life changing **Becoming Super Woman** shows you how to banish burnout ward off a breakdown and achieve true balance finally *40 CENT "High ACE & the Bengal Chronicles"* Terry Sinnett,2011-08-17 I m 50 Cent s nemesis so far the readers have been either confused or blown away read if you think your smart **Billboard** ,2005-09-24 In its 114th year **Billboard** remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform **Billboard** publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **New Musical Express** ,2003 **Coldplay Music Box** Music Sales Corporation,2006-04-01 A great set for real Coldplay fans Four great products for a fraction of the price they would cost to buy individually Coldplay The Complete Guide to their Music An authoritative rundown on all the Coldplay albums and compilations track by track in this informative book Coldplay Chord Songbook The guitar chords and lyrics to 29 great hits and album tracks in a pocket sized songbook Matching double audio CD of all the songbook tracks Your own backing band on the double CD set Rock With Coldplay How to Play DVD set Learn to play like Coldplay with this bestselling DVD featuring Trouble Shiver and In My Place
