### LEADERSHIP COMPETENCY JOB-AID

#### FACILITATOR INSTRUCTIONS

Prior to facilitation, print the CGOLF Coaching cards and cut them out. There are 50 questions that can be used for any of the 20 competencies. You will need 2 cards per participant.

**Brief:** "You are the experts on this competency. This activity is about having a discussion and sharing some of that knowledge."

**Note:** It is up to the facilitator to choose the competency you want to discuss during the session. Participants will fill in the blanks on the cards with their own examples. *Example: "Health and Wellness"*

Swap questions and answers with other people on your team.

1. Pair up with one person from your team on your card, listen to your partner's response, and then answer the question.
2. Swap cards with another person and repeat the process.

**Optional:** Add a round of "Health and Wellness" to the end of the session. The rules are the same as round one but instruct participants to focus on the "Health and Wellness" competency. Subjective is when you are listening to "Health and Wellness" experiences. You are just there to hear that person's experience.

**Note:** The cards are designed to be used in a group setting.
