Important Information and Customer Assistance

Important Information

It is not against federal law to monitor radio transmissions with your Cobra radar/laser detector. The Communications Act of 1934 prohibits and forbids receiving radio transmissions of any frequency. Local laws that outlaw the use of these types of detectors by your local law enforcement officials will not prevent them from obtaining them using an in-vehicle legal action.

Use of the product is not intended to, and does not, ensure that motorists or passengers will not be involved in traffic accidents. It is only intended to alert the motorist that an emergency vehicle equipped with a radio safety alert transmitter is within range as defined by the product. Please contact local law enforcement to learn if coverage exists in your area.

Motorists, as well as operators of emergency or service vehicles, are expected to exercise all due caution while using the product, and to obey all applicable traffic laws. Do not attempt to change settings of the unit while it is active.

Before leaving your vehicle, always remember to cancel your radar detector in order to reduce the possibility of break-in and theft.
