for another through discipline Some practice kinks on themselves and do not require a partner for arousal Kink involves many areas of sexual play and is considered an underground subculture that can be a one time event or a lifestyle With all of the elements available for a kink enthusiast it is difficult to know where to get started for a decent drive by education This book contains a short synopsis of kink but is not a complete education and does not claim to be Kink is a lifestyle and with all lifestyle choices must be experienced and lived to be fully learned I can read a book about surviving in the wilderness but that doesn't mean that I can actually survive
