Code Name Wrangler George M. James, 2016 **Code Name Vfo565** George M. James, George M James

Gmj, 2014-09-01 Major Geoffrey Foxtrot a former South African Special Forces operator under deep cover is in love with his South African Secret Service handler Angelique Dawson. They have uncovered a truce the South African Government entered into with Al Qaeda to hide and allow Al Qaeda operatives to recuperate in Southern Africa whilst under their direct protection. Foxtrot receives orders to snatch and kill them on behalf of MI6 and the two groups clash violently. If you wish to read about Covert and Special Forces operations in Sub Saharan Africa the GMJ Books are the place to start. Code Name VFO565 is the first book of the GMJ Series Code Name Foxtrot George James, 2021-03-28. Code Name Foxtrot takes place in 2004 and is the first GMJ Book in chronological order but the 6th in the Series. Here we deal with the death of a soulmate and a man driven to take revenge for her untimely death. This is where the story really starts and much is revealed about the narrator Geoffrey Foxtrot. We reveal why Foxtrot hates Sir John McElroy the MI6 spymaster that we meet from time to time in the GMJ Books. We also flashback in time to when Foxtrot then still a serving Police Special Forces Company Commander tries to rescue his kidnapped former commanding officer Angelique's dad against orders. Legendary Special Forces officer Geelslang Peter Ndebele then a platoon leader goes with volunteering his platoon and the rest as they say is history. As we know the rescue fails and the two officers leave the Special Forces to become Egg Breakers. Meanwhile Angelique Dawson has lost her first husband to cancer and starts to wonder about Geoffrey Foxtrot the man that became her preferred agent and much later her soul and husband ending as the Egg Breaker Ground Commander. In fact the entire GMJ Series is about the developing love story between the deadly spymaster Angelique Dawson and Major Geoffrey Foxtrot protecting her. Description Former Police Special Forces Company Commander Major Geoffrey Foxtrot's wife Marwa is killed in an IED attack in Iraq. Marwa he always knew was a DGSE agent the French spies but he never knew how senior she was or what she was up to. Upon her death he learns much and is not about to take this insult lying down. He claims revenge and with the help of his South African Secret Service handler spymaster Angelique Dawson and his best friend the legendary former Police Special Forces platoon leader Geelslang Peter Ndebele he heads for Iraq to find the killers. Angelique Dawson also has problems. Her husband dies of cancer at the same time as Marwa and in their anguish Foxtrot and Angelique turn towards each other for comfort. They will eventually fall in love and marry in Code Name VFO565 an enduring romance between two souls that were always meant to be. We discover the reason for Foxtrot's hatred of Sir John McElroy the MI6 spymaster. And Foxtrot must make a difficult choice concerning revenge. Code Name Foxtrot is a tale of revenge of a man sparing no one. Only Angelique Dawson can stop him perhaps. If you wish to read about Covert and Special Forces Operations in sub Saharan Africa the GMJ Books are the place to start. You will learn about covert operations, Special Forces techniques and military history not known outside the select few. Code Name Foxtrot is book 6 of the GMJ Series and by far the most humane of

them all Code Name Mélisse George M. James, 2021-03-31 This is a very special book for me because for the first time in the GMJ Series I explain more about my late wife I added a dedication I wrote this book for you my wife Actually all of them with their hidden codes and your M on all the covers between my own initials I had to keep busy or go insane after the machines were switched off the final act of love to release you to the care of God our Father So I began writing the GMJ Series Three weeks Honey that is how long a GMJ Novel takes no matter how long or short Just more than two weeks to write a few days to rehearse and then the editor gets them to make them readable enjoyable Real authors say that it cannot be done it is impossible to write that fast What do they know We have done so 41 times in a row plus another three under my real name in between When will it come to an end I am asked How long is a rope I reply with a shrug I never wanted to be an author or a widower Truth to be told Melissa I don't know the answer except to say that not one book was worth your life I would give all I have to be with you again even give up writing but what would be required for me to see you again is my life I see the irony Sweetie the price cannot be negotiated but you are not laughing with me when I say such things you look angry and so I keep on writing GMJ to his late wife on finalising Code Name M lisse In Code Name M lisse we carry on testing a new concept in counter terrorism the use of large military gliders to silently approach a terrorist nest The glider concept must be demonstrated operationally and is I also show you how a joint force of current Special Forces members and spies from different nations work together Furthermore I went out of my way to show the planning behind a raid For me the shooting part is the boring part it is the planning to get to that point and getting the lads and lasses home again that has always interested me more That is where the military art can be found not in the shooting Finally I wanted to highlight how vulnerable US Military personnel and or CIA operatives are in this theatre In this book a CIA Predator drone is attacked and a Jesuit priest working for the CIA who was behind the attack on Angelique Dawson in Code Name GSSP 40 is confronted His birthright as an American will not save him and that is perhaps the most important lesson in this book don't ever think that your US or UK passport will protect you See this book as a warning not anti American it is blunt reality facing those that are in South Africa without an invitation The 2018 Putin new generation weapon disclosures and the Skripal poisoning incident are also discussed Description South African spymaster extraordinaire Angelique Dawson and her team are combining with Mossad DGSE French spies and MI6 teams to prove that a large military glider can be used effectively in counter terrorism operations They must attack a recently discovered terrorist compound in Malawi snatch a terrorist leader and do so at night withdrawing across Lake Malawi to Mozambique before sunrise Angelique is as usual not explaining much to her future husband and former Police Special Forces Company Commander Geoffrey Foxtrot the narrator There are other shenanigans going on as well the destruction of a CIA operated Predator drone as well as ambushing a rogue element inside the CIA that tried to murder Angelique the previous week during Code Name GSSP 40 Worryingly she does not have the usual towing aircraft for the military glider and is forced to use an ageing Super Frelon helicopter which has never before been used in

this way Such complications will not stop Angelique Dawson a superb combat pilot she will do what is necessary no matter what Code Name M lisse is the 41st book of the GMJ Series
