Begin Anew Palmer Becker, Howard Wagler, Marion Bontrager, 2014-10-14 Are there people in your congregation or community who are new to the Christian faith Or who have been in the church for a long time and would like to grow in discipleship Begin Anew is a 16 session series of studies to make disciples in small groups and congregations Based on the idea that Christianity is a combination of believing belonging becoming and behaving the course is designed in a holistic way to bring about a clear faith in God as known in Jesus Christ a solid sense of belonging in a family of loving people and a disciplined lifestyle This new lifestyle leads to becoming joyfully involved in ministries in the church and in God s mission in the world This discipleship resource is for anyone interested in growing in Christian faith from an Anabaptist perspective regardless of their background or previous church experience Begin Anew is a joint project of Mennonite Church USA and Mennonite Church Canada The sessions grew out of the congregational work and writing of the following individuals Palmer Becker of Kitchener Ont Howard Wagler of South Hutchinson Kan and Marion Bontrager of Hesston Kan Further work and testing was done with Mennonite Church Canada and Mennonite Church USA national staff Dave Bergen and Terry Shue The work of Pastor Rick Warren of Saddleback Church Lake Forest Calif served as the inspiration for these materials Stuart Murray Church after Christendom Carlisle U K Paternoster 2005 The author discusses the interaction of these elements that have become familiar in current discussions about faith church and mission **Begin Anew** Palmer Becker, 2017

Winning the Battle Within Neil T. Anderson, 2008-07-01 For too many believers God s wonderful creation of sex has become a source of spiritual slavery rather than a liberating blessing Neil T Anderson presents a clarifying refreshing look at God s plan for sex and how Christians can release a distorted view of physical intimacy and embrace a pure godly view of this gift With biblical advice and compassion Anderson points to the way out of confusion and shame by exposing the guilt anger and fear involved in sexual struggles showing how believing the truth breaks the sexual and emotional lies giving practical steps to overcome spiritual entrapment with God s Word As Christians grasp what the Bible says about who they really are God s loved children and new creations in His Son they will be able to enjoy and value His marvelous design for their emotions and bodies A newly updated and expanded version of Finding Freedom In a Sex Obsessed World **Indiana**

Brooks wrote in *The Second Mountain* A pilgrimage is a journey undertaken in response to a story My life story has been

lived in response to God's story revealed in the Bible. This book is about the highways I have traveled in obedience to the Voice of the Holy breaking into my successes and failures, desires and doubts, and leading me by the power of grace in ever merciful and transforming ways. If you are drawn to my story, it is because the same Voice is calling you to share the adventure of a lifetime in following Jesus as he set his face to go up to Jerusalem. Through my story, may you hear Aslan's Christ's invitation: Come further in. Come further up. This story travels by way of the highways to Zion. Ps 84:5-7. Those highways become deeply paved in the hearts and minds of those who work for the healing of the world and who bring the blessings of the reign of God to barren, dry, and thirsty lands. **Starting a House Church** Larry Kreider, Floyd

McClung, 2007-04-05. There's a new way of doing church, and it's taking North America by storm. Here, a recognized authority on the house church movement and a popular speaker and pastor share their expertise in starting and maintaining a healthy house church. Together, they look at current and future trends in the house church movement and provide best practice models for planting and leading house churches. Also, they explore how house churches are not always the same as simple cell groups or small groups, especially in the areas of leadership and money. Readers will discover all the information they need to begin a house church in their community. **The Wisconsin Baptist**, 1989 St. Andrew's Cross Hubert Carleton, 1899
