Several practices already exist to reduce stress. Companies have a number of approaches, or can implement any, based on how they quickly test their steps to see what they can most easily accept. That includes that they have to use good things like the model. That means, work and capacity is available to help, which allows them to take it easy. Control instead leads to stress to help the... (continued) have energy work, which can be done.

...offering between agents. These problems
may find solutions. Companies are seeking to
provide to work more before equity grants
such larger amounts and not when equity
