Brian Gary Forbes,2021-02-14 Great recipes are rarely nailed on the first try. Instead, they are developed over several generations of making the same recipe with minor changes to the ingredients. In this way, a recipe is taken from average to outstanding by changing a couple small details each time and making the recipe again until it's perfect. Thankfully, most recipes only need to be made a couple or a few times to get them dialed in, and that's all part of the fun of crafting your own ground beef jerky recipes. Coming up, I'll show you how to take a recipe that you like and make changes to the ingredients to highlight what you would like to taste more and reduce what you want to taste less. You'll learn how to make a recipe that is just the way you like it without compromise or having to settle for something that isn't how you like it. Once you know the process, the rest of the book is filled with log sheets where you can write out your recipes as well as the changes and save them as your own personal beef jerky cookbook. Not only will it help you make better recipes, it will also give you a place to safely store them so as you create your custom tailored recipes, you won't have to worry about losing them. There is room for 100 recipes of your own with space for up to five generations of each recipe. **50 Best Beef Jerky Recipes**

Brian Gary Forbes,2021-03-17 This is the sixth book in my Jerky Maker Series where you learn how to take basic hamburger meat and turn it into the best jerky you have ever tasted in your life. What is special about this book versus the others is that these recipes are extra spicy and great for people that love heat. One of my favorite kind of recipes is a high heat jerky with nice flavor and a lot of spicy goodness. With all the different kinds of peppers in the world, you have a lot of choices when looking for spice. The recipes are all ground beef based too, which means you can make some of the best tasting jerky in your life with ground up meat. Yes, you can pick up a couple pounds of ground chuck and in a few hours have a huge

bag of jerky that tastes better than anything you could ever buy at a store Not only that it will be easy to chew inexpensive and nobody will ever be able to tell you made it from ground up meat In fact most people won t believe you when you tell them These recipes are all a lot of fun and they create jerky with a wide range of flavors Feel free to skip around and read the recipes to see what you like before you start Once you find a few recipes you like you can get started making some amazing jerky that you might even be surprised you could create with just a simple dehydrator and a jerky gun It s actually really easy to make jerky at home and it only takes about 30 minutes of prep time After that the dehydrator does all of the work and you just wait for your delicious jerky to come out a few hours later Couldn t be easier Finally if you still need a dehydrator and a jerky gun don t worry I have a 40 dehydrator and a 15 jerky gun and I ve made hundreds of recipes You don t need anything more and it s an investment that will pay itself back after you make your first few batches
