

FORM TWO

THE BACKGROUND OF LUKE'S GOSPEL

Who is Luke?

- Luke was a doctor (Physician) by profession. This is brought out in Paul's letter to Colossians (Col 4:14).
- He accompanied Paul in most of his journeys (2nd Tim 4: 11). He accompanied Paul to Jerusalem where he was captured.
- He is also the writer of the book of Acts of the Apostles.
- He was Assyrian from Antioch (Non-Jew).
- He never married until he died at the age of 84yrs.
- He was not an eye witness of Jesus of the work and His ministry.

Where did Luke get the materials?

1. He got information from eye witnesses (Oral tradition) Luke 1:2
2. He also used other Gospel that had been written early such as the book of Mark (Luke 1:30) the sequence of events in Luke's gospel is similar to that of Mark.
3. He is also believed to have been inspired by the Holy Spirit.
4. There are also episodes that appeared only in Mathew and Luke such as the stories about the birth of Jesus. Scholars therefore believed that he must have used a source that was common to him and Mathew.
5. There are also other events that also appeared in Luke's Gospel e.g in Parable of Good Samaritan. It is therefore believed that he must have used the source that was peculiar to him probably an earlier gospel that does not form part of the standard Bible.
6. Having also been an experienced and educated person (doctor), he could have used his experience to write a more orderly account of the work and life of Jesus.

Why Luke wrote the Gospel

- 1) To strengthen the faith of those being persecuted.
- 2) To show that Christianity had replaced Judaism.
- 3) That Jesus was the Messiah.
