Notjohn's Guide to E-Book Formatting N.J. Notjohn, 2017-01-01 The self publisher's bible In this clear and entertaining ten step guide now in its eighth edition a prolific American author tells how he formats his books using free software for upload to online bookstores The secret he explains is to use the universal epub format to create a single e book file that will be accepted by every digital retailer from Amazon.com through Barnes

more often it doesn't because these programs litter the file with hidden formatting. The result can be a disaster. Instead, the word processing document should be converted to clean HTML, the markup language used to create a web page. All e-books are web pages at heart, and the Kindle and other e-book readers are just special purpose web browsers. The conversion from document to HTML file takes seconds. It can then be plugged into a simple template that Notjohn includes in this Guide and also makes available on his blog for anyone to use. He also supplies a style sheet to format the book for best appearance on the Kindle Fire tablet, the various Kindle apps as well as on competing tablets and e-book readers. If all else fails, there's Plan B: a stripped down template for novels and for non-fiction that consists mostly of text. He concludes with a chapter on how best to present your e-book on the Kindle platform with hints on encrypting the book, copyrighting it, and pricing it for the greatest return. And new this year: a chapter on adapting the e-book to a print edition. With illustrations and screenshots. Revised and updated 2017 edition.

Amazon Ads for Indie Authors: A How-to Guide from an Industry Expert Janet Margot, 2021-10-25. Learn from a former Amazonian how to create, manage, and optimize book ads. Amazon Ads for Indie Authors is a former insider's breakdown of book advertising. This is the most authoritative author ads handbook available, exposing the interconnectivity of book ads in the Amazon ecosystem. This insight fuels a framework that declutters the ads dashboard, allowing you to reach readers more effectively. You'll learn how to build your ads strategy, create basic ads, avoid costly mistakes, manage campaigns while driving spend efficiency, use advanced features tailored for your use case, scale your ads at the right time, detect key signals improving your chance of success, discern what Amazon recommends vs. what works for books. Amazon Ads can be complex to navigate, particularly for books. This guide will teach you how to simplify your approach, free up your headspace, and get back to writing.
