Website Owner's Manual Paul A. Boag, 2009-10-31 Many of the people responsible for a website don't have a clue what's required to build one and keep it up and running. The job of planning, launching and managing a site often falls to people who have little or no experience in web design or development. Website Owner's Manual is for the thousands of marketers, IT managers, project leaders and business owners who need to put a website in place and keep it running with a minimum of trouble. Using clever illustrations, easy to follow lists and diagrams and other friendly touches, Website Owner's Manual helps readers form a vision for a site, guide them through the process of selecting a web design agency and gives just enough background to help them make intelligent decisions throughout the development process. This book provides a jargon-free overview of web design, including accessibility, usability, online marketing and web development techniques. Using Website Owner's Manual, readers master the vocabulary and concepts they need to discuss how a website dovetails with the needs of a business. This book will help them work confidently with the designers and developers building and maintaining a site so they can concentrate on what your website needs to do. Purchase of the print book comes with an offer of a free PDF, ePub and Kindle eBook from Manning. The life of a Christian is the life of Faith, Hope and Charity, and so it both looks to things beyond this world and regards this world with compassion. The two can work together. Faith softens reason and reason sharpens Faith. Imagination finds new ways to articulate in concrete circumstances what has belonged to long traditions of thought. These essays cover a wide range of topics, either by way of simple reflection on life or in response to issues that arose around the time of their writing. The period of their writing was a varied one. Life looked so stable in the mid-nineties that we contemplated Australia becoming a republic and sought Aboriginal reconciliation. It remained uncomplicated at the time of the Olympic Games in 2000 but became troubled by political events and by the terrorist attacks of 2001. The essays respond to the issues of this time. Four essays not published in the *Weekly* have been added to take note of more recent changes that have taken place in the Church and in our world. **Daily Graphic** Yaw
