## **Comparative International Accounting 12th Edition:**

Comparative International Accounting, 14th Edition Christopher Nobes, Robert B. Parker, Robert H. Parker, 2020 Now in its 14th edition Nobes and Parker's Comparative International Accounting is a comprehensive and coherent text on international financial reporting. It is primarily designed for undergraduate and postgraduate courses in comparative and international aspects of financial reporting. The book explores the conceptual and contextual foundations of Comparative International Accounting. Christopher Nobes, 2020 Comparative International Accounting is intended to be a comprehensive and coherent text on international financial reporting. It is primarily designed for undergraduate and postgraduate courses in comparative and international aspects of financial reporting. A proper understanding requires broad overviews as in Part I but these must be supported by detailed information on real countries and companies as in Parts II to IV and across the board comparisons of major topics as in Parts V and VI. This book was first published in 1981. Until this present edition the fourteenth the book was jointly written by Christopher Nobes and Robert Parker. However Bob Parker died shortly after the thirteen edition was published in 2016. This edition is dedicated to his memory see obituaries in the 2016 volumes of Accounting and Business Research and Accounting History. Bob's last publication was a review of the development of the contents of this book and therefore of the world of international accounting over its thirteen editions from 1981 onwards. Readers can consult this in Volume 21 Issue 4 of Accounting History.

**Comparative International Accounting PDF eBook** Christopher Nobes, Robert B. Parker, 2016-02-10 Now in its 13th edition Nobes and Parker's Comparative International Accounting is renowned for its depth of discussion and comparative method of explaining the international dimensions of financial reporting. The book explores the conceptual and contextual foundations of International Financial Reporting Standards (IFRS) contrasting them with US generally accepted accounting principles (US GAAP). It also examines international differences in IFRS practices and the accounting differences that remain between countries such as China, France, Germany and Japan. Particular attention is paid to the key issues of political lobbying, harmonisation and the special accounting problems of multinational companies. The full text downloaded to your computer.
