Citation Index ,2002 **Convergent Journalism: An Introduction** Vincent F. Filak, 2014-10-30 Convergent Journalism An Introduction is a pioneering textbook that will teach you how to master the skills needed to be a journalist in today s converged media landscape This book shows you what makes a news story effective and how to identify the best platform for a particular story whether it s the Web broadcast or print The bedrock tenets of journalism remain at the core of this book

including information dissemination storytelling audience engagement After establishing these journalism basics the book goes into great detail on how to tailor a story to meet the needs of various media Vincent F Filak has brought this second edition completely up to date through A thorough reorganization of the chapters which provides a newer more practical approach focused on how to do convergent journalism rather than simply observing the current state of converged media A number of new pedagogical features to improve learning and retention including examples exercises breakout boxes and more Coverage of additional topics such as issues of law and ethics in digital media and also writing for mobile platforms and social media A companion website with links to additional examples of quality text images and multimedia for students as well as an instructor site with a test bank suggested exercises and discussion questions **Convergence Journalism** Janet Kolodzy, 2006-06-15 Book Companion Site For at least a decade media prognosticators have been declaring the death of radio daily newspapers journalistic ethics and even journalism itself But in Convergence Journalism an introductory text on how to think report write and present news across platforms Janet Kolodzy predicts that the new century will be an era of change and choice in journalism Journalism of the future will involve all sorts of media old and new niche and mass personal and global This text will prepare journalism students for the future of news reporting **Principles of Convergent Journalism** Jeffrey S. Wilkinson, August E. Grant, Douglas J. Fisher, 2012-09-13 From iPads to smart phones to laptops journalism's days of living solely on the printed page are over Principles of Convergent Journalism teaches emerging journalists how to move confidently across media platforms providing an essential guide to navigating today's complex media landscape

Dynamics of News Reporting and Writing Vincent F. Filak, 2018-01-02 Journalists in today's media environment require a skill set that can be adapted to a variety of media Dynamics of News Reporting and Writing Foundational Skills for a Digital Age teaches students the foundational skills they need to successfully report and write the news in an evolving digital landscape Author Vince F Filak offers guidance on the essential skills of the industry while weaving in the how to's of writing digital news Recognizing that well crafted stories are founded on sharp prose this new text covers the foundational elements of newswriting such as lead writing structure and storytelling while also teaching students how to think critically and determine what matters most to their readers Key Features An audience centric approach encourages students to understand why and how news is relevant to the lives of their readers before they even start digging into their stories Write Now Exercises provide students with an opportunity to immediately practice the core set of skills they have just learned and apply these skills to various platforms Consider This debates spark classroom discussions by encouraging students to take a closer look at a current issue or ideological dilemma and make a valid case for their position Thoughts from a Pro offer students an up close look at a specific aspect of reporting and writing from a professional who is plying their trade each day
