Illustrator Dan Pearce I originally made a very similar coupon book for my son one Christmas when money was tight and I didn't have much for big or expensive gifts I spent weeks drawing fun illustrations and coming up with coupons my child could use any time he wanted over the next year He LOVED the finished project and now the number one thing he always puts on his list every year is more coupons As parents we often forget that this human experience we all go through isn't always the easiest thing for our kids to navigate either These coupons are an amazing way to not only let your kid be amazingly human but also to remind you as a parent that sometimes it's okay to give a little and not make rules or routines that never have exceptions This in turn will help your kids be more supportive of the rules and routines that you do have to make as the awesome parent that you are
