Drummond focuses on sport, health, and physical activity and adds context to the history of male bodies, the social construction of masculinity, and the role of sport as a potential rite of passage for young males. Using rich descriptive interview data with 33 boys from the ages of 5 to 13 collected over an 8 year period, *Boys Bodies* identifies important issues including the significance of muscularity and strength as signifiers of masculinity and the need for boys to be involved in blood sports as well as beat girls in sporting competitions. The meaning of health and the perception of boys changing bodies over time are central to the discussion. The book will appeal to researchers, teachers, practitioners, policy makers, and parents.

Martin Crimp: Plays 3 Martin Crimp, 2015-11-12 Cruel and Tender A mordantly knowing modernisation of Sophocles s *Trachiniae* The approach here manages to be at once lethally level and capable of surges of anguished feeling Highly recommended Independent Fewer Emergencies A triptych of vicious modern fairy tales that brings the nightmare right back

and stabs you through the soul Guardian The City Although this is the most disquieting play in London there is a curious exhilaration about both the performance and Crimp's confrontation with our perpetual unease Guardian Definitely the Bahamas A summation of a life lived vicariously at the margins of other lives between suffocating suburban walls and the play is as unflinching as it is unnerving The Times Play House Play House concerns the volatility and vulnerability of love as a young couple Simon and Katrina set up home Unusually for Crimp the play both begins and ends with moving declarations of love Suddenly this usually chilly dramatist seems unexpectedly blessed with a warm heart Daily Telegraph In the Republic of Happiness Crimp goes so far as to call it an entertainment in three parts and it rocks along like a dystopian vaudeville The actors are imprisoned and liberated at once their strange between worlds condition a source of joy intemperateness and above all a care for our diversion My favourite play of the year What's on Stage

**Tom Boler** Daren King, 2005 When nine year old Tom Boler comes back from school one day to find his mother has gone he is about to enter the new and perilous adult world This is a story of sexual promiscuity and confusion class conflict and poverty as seen through the eyes of a child
