Compare and Contrast Two Short Stories— Landlady by Roald Dahl and Chemistry by Graham Swift

There are lots of great short stories out there, but in my opinion, both 'Chemistry' by Graham Swift and 'The Landlady' by Roald Dahl are two of the most unique and effective stories. This kind of writing style makes readers felt more personal, because the subject is 'I', when reading out the story, readers will feel like they're experiencing the narrators' life, as if they are the narrator. Also, another interesting fact about this kind of writing style is that if I were to look at the same events in other character's perspective, it might be another whole different story because
