On Cyber Bullying

I firmly believe cyber bullying should be classified as a crime
It is a practice that has been going on for some time
All cyber bullies are cowardly they go beyond rude
And their behaviour does seem far more criminal than crude
Such people lack in respect for self and others and are without
a sense of pride
Some victimized by them have committed suicide
Cyber bullying a new form of human abuse
For the perpetrators of such can one find an excuse?

So many forms of bullying or so it does seem
Though all bullies share one thing in common they suffer of low
self esteem
Since they do pick their targets it would seem fair to say
In so doing they behave in the cowardliest way
But for bullies the price it is huge for to pay
Since the Karma they sow they have to reap one day.
