

MIAMI-DADE COUNTY PUBLIC SCHOOLS
District Pacing Guide- Social Studies Fourth Nine Weeks

GRADE LEVEL, OR COURSE TITLE, Course Code: SEVENTH GRADE- CIVICS

Course Code: F1001001

COURSE DESCRIPTION:

Civics 1-4 Course: The seventh grade social studies curriculum consists of the following content area strands: Civics, Geography, and Economics. The primary content for the course pertains to the principles, functions, and organization of government; the origins of the American political system; the roles, rights, responsibilities of United States citizens; and methods of active participation in our political system. The course is embedded with strong geographic and economic components to support civic education instruction.

Honors/Advanced courses offer scaffolded learning opportunities for students to develop the critical skills of analysis, synthesis, and evaluation in a more rigorous and reflective academic setting. Students are empowered to perform at higher levels as they engage in the following: analyzing historical documents and supplementary readings, working in the context of thematically categorized information, becoming proficient in note-taking, participating in Socratic seminars/discussions, emphasizing free-response and document-based writing, contrasting opposing viewpoints, solving problems, etc. Students will develop and demonstrate their skills through participation in a capstone and/or extended research-based paper/project (e.g., history fair, participatory citizenship project, mock congressional hearing, projects for competitive evaluation, investment portfolio contests, or other teacher-directed projects).

Please note the following important general information regarding the Pacing Guides:

- The Pacing Guides outline the required curriculum for social studies, grades K-12, in Miami-Dade County Public Schools.
- Social Studies Pacing Guides have been developed for all elementary grade levels (K-5) and for each of the required social studies courses at the middle and senior high school levels.
- The Social Studies Pacing Guides are to be utilized by all teachers, grades K-12, when planning for social studies instruction.
- The Pacing Guides outline the required sequence in which the grade level or course objectives are to be taught.
- The Pacing Guides outline the pacing in which instruction should occur. Specifically, the Pacing Guides are divided into 9 week segments and provide an estimate of the number of traditional or block days needed to complete instruction on a given topic. Teachers should make every effort to stay on pace and to complete the topics in a given nine weeks. Slight variations in pacing may occur due to professional decisions made by the teacher or because of changes in school schedules.

NOTE: Associated with each **tested benchmark** is a link to a lesson plan (highlighted in yellow) complete with all readings, handouts, a detailed lesson plan, and a pre-test quiz to be used during instruction in order to emphasize the importance of tested benchmarks.

NOTE: Associated with each tested Civics End of Course Exam benchmark, is a link to the pages from the Civics End of Course Assessment Test Item Specifications which provides a clarification and breakdown of the benchmark, highlighted in blue.

NOTE: The five additional content benchmarks (project benchmarks) that are also assessed on the End of Course Exam for Civics are highlighted in green throughout the pacing guide. Although separate lesson plans do not exist for the five content area assessed benchmarks (project benchmarks), attached to each is a link, in yellow, to the lesson plan that connects to the content tested benchmark that it falls under.

Each Social Studies Pacing Guide is divided into the following headings/categories to assist teachers in developing lesson plans:

- **Course Code** - The Florida Department of Education Course Code is listed for the course.
