Guide To Self-Publish Ronnie Reiner,2021-07-14 When writing a novel there are few selling tools as important as a solidly written book blurb Sure the cover design creates intrigue But if you have caught a potential reader s attention the blurb is what will sell your book and convert readers When defining a blurb it s important to distinguish between a description blurb that you write for the back cover of your book and a review blurb This book will dispel blurb myths and explain effective tactics Finally it ll deconstruct great blurbs so you see their moving parts Enter the cutting edge world of advanced blurbs and learn The neuroscience behind persuasion The bad advice that s killing your sales Copywriting super hooks other than teasers How blurbs really work

Author Unleashed Robert J. Ryan,2019-10-02 Do you sell as many books as you want to Most authors will say no They want more But no matter what they do those sales remain elusive Worse the publishing environment is getting harder every year crushing their dreams day by day But somehow some authors succeed How do they do it Is there a secret Is it blind luck Do they all have teams of ghostwriters behind them churning out novels while one person claims the glory It s none of those things It s a combination of hard work and correct knowledge This book gives you that knowledge You ll learn things like How professional marketers write blurbs How to decode Amazon webpages for clues to buyer behavior Why great books sink into oblivion and ordinary books sell How to go beyond accepted practice and find best practice This book gives you the knowledge to sell and to sell at a high scale Much of it will surprise you even if you re a veteran of indie publishing
