Authentic Conversations Moving From Manipulation To Truth And Commitment:

Authentic Conversations James Showkeir, 2008-09-08 In this groundbreaking new book Jamie and Maren Showkeir take something people typically think of as merely functional ordinary conversation and show how it can lead to a workforce that is engaged and energized or to one that is alienated and uninspired All too often workplace conversations create what the authors call parent child relationships People hide facts sugarcoat reality and claim helplessness to try to control the interaction and get what they want The Showkeirs demonstrate how we can move to honest and authentic interactions adult conversations that create increased commitment true accountability and improved business performance They offer examples of parent child and adult adult workplace conversations in a variety of settings and provide a hands on guide including sample scripts for dealing with a host of potentially difficult conversations

Authentic Conversations James D. Showkeir, Maren S. Showkeir, 2008-09-01 In this groundbreaking new book the Showkeirs take something people typically think of as merely functional ordinary conversations and show the power they have to create sustain and change the very nature of workplace culture Conversations can lead to an engaged and energized workforce or to one that is alienated and uninspired If you want to change the culture you must change the conversations All too often workplace conversations between managers and direct reports peer to peer or with external stakeholders create parent child relationships People hide facts sugarcoat reality and claim helplessness to try to control interactions and get what they want The Showkeirs expose the destructiveness of these manipulative conversations and demonstrate how we can move to honest and authentic interactions that create adult relationships By intentionally and thoughtfully changing conversations organizations will engender increased commitment true accountability and improved workplace performance Drawing on more than 25 years of experience as organizational consultants their book offers examples of parent child and adult adult workplace conversations in a variety of settings circumstances and industries They also provide a hands on guide including sample scripts for dealing with a host of potentially difficult conversations Authentic Conversations goes to the heart of why so many people today are disengaged uninspired and uncommitted to their organization s success It challenges the conventional wisdom about managing people and sets out specific concrete ways to consciously make conversations the primary driver for change

Authentic Conversations James D. Showkeir, 2009-02-18 In this book we hope to create for you an awareness of how daily conversations create reveal sustain or change organizational culture We explore the significant role culture has in facilitating healthy relationships and creating business results Our premise is that true and lasting changes to organizational culture cannot occur unless people understand how traditional conversations stymie growth and erode commitment We explore the issues rooted in questions such as How does the organization move from a parent child culture to an adult adult culture How can you recognize the damage caused by manipulative conversations How can you learn to engage in authentic conversations based on collaboration and partnership How do you eliminate traditional leadership conversations aimed at caretaking and

control How can you engage people in ways that value their knowledge experience and contribution How can you create an organizational culture that maximizes the potential of the entire organization These questions and others addressed in this book are relevant to all organizations accountable for results today and in the foreseeable future Preface **The Spirit of Servant-leadership** Shann Ray Ferch, Larry C. Spears, 2011 In *The Spirit of Servant Leadership* editors Shann Ferch and Larry Spears present an elegant and powerful approach to the nature of the leader follower dynamic with a specific focus on many of the most radical life affirming and transformative facets of the servant leader In essence *The Spirit of Servant Leadership* speaks to the soul of humanity by gathering a bright symphony of voices including some of the current thought leaders of contemporary leadership Among the many voices in this volume Peter Block questions the very nature of leadership and draws people to more deeply understand the subtlety humility and self transcendence required to develop one another individually and collectively Larry C Spears delves into the rich earth of holistic servant leadership and creates multidimensional growth and healing for the heart mind and spirit Margaret Wheatley calls people to deeply consider the interior formation of leaders that create greater transparency less command and control and more willingness to be sincerely changed by others James Autry unveils important truths about the process of insight involved in true servant leadership and Shann Ferch speaks to the nature of intimacy and the profound questions of forgiveness between people cultures and nations Robert Greenleaf former AT T executive and the contemporary founder of servant leadership said Behind every great achievement is a dreamer of great dreams *The Spirit of Servant Leadership* affirms people in all the complexity and nuance of the human endeavor and helps renew in readers the ability to dream great dreams Yoga Wisdom at Work Maren Showkeir, Jamie Showkeir, 2013-05-06 *Yoga s Ancient Wisdom Can Transform Your Work Life* Everyone knows that yoga helps reduce stress and increase the body s flexibility and strength But the physical aspects barely scratch the surface of yoga s transformative powers The poses are only one part of a larger philosophy offering profound insights for confronting the complexities of daily life Yoga can help you remain centered compassionate positive and sane every hour of the day especially those between nine and five This unprecedented guide shows how practicing the full range of yogic concepts the traditional Eight Limbs of Yoga leads to a productive creative and energizing work environment and features examples from professions like law enforcement teaching banking filmmaking medicine and many more But beyond that this book is an invitation to use all of yoga s teachings to cultivate the spark of the divine that dwells within each of us Filled with personal insights and stories that carry yoga into the world of daily decision making It is wonderful to see the foundations of practice brought to life in such a confident sincere and thoughtful way Pandit Rajmani Tuganait Chairman and spiritual head of the Himalayan Institute Maren and Jamie show that yoga is not just about poses the practice is about creating the stillness of mind that will allow you do the work you were meant to do Seriously read this book Russell Simmons cofounder of Def Jam The Showkeirs bring the deepest teachings of yoga alive by showing exactly how to bring our yoga and our best selves into the world Judith
