

AUTO PHYSICAL DAMAGE APPRAISERS

THE ROLE

Auto Physical Damage Appraisers inspect, analyze, and evaluate damaged vehicles to create a comprehensive and accurate damage report. These individuals travel to a vehicle's location, which may include tow facilities, repair facilities, dealerships, and customer locations. They may also work in a company drive-in claims center and use computer software to write estimates. Those in this role document all aspects of claims investigation and processing and follow company claims processes that account for a fair and accurate settlement, customer satisfaction, and cost management.

HOW TO ACHIEVE PLATINUM™ STATUS

Achievement of the Platinum designation by an Auto Physical Damage Appraiser is based on successful Knowledge Area completion for each I-CAR® ProLevel® within the I-CAR Professional Development Program™. An Auto Physical Damage Appraiser can initially achieve his or her Platinum designation upon completing ProLevel 1® requirements. After completing ProLevel 1 requirements, the Auto Physical Damage Appraiser can maintain his or her designation by completing training requirements in the following ProLevel by his or her annual renewal date. Once ProLevel 3® training requirements have been completed, the Auto Physical Damage Appraiser must complete six credit hours of ongoing role-relevant training each year by his or her annual renewal date to maintain Platinum status.

Keeping time and resources in mind, I-CAR provides a recommended training option. Recommended options for the Auto Physical Damage Appraiser are listed on the back of this page. Credit hours may vary based on the courses selected. To view other training options, access the Training Planner Tool by logging in to myI-CAR or visit the course catalog page on the I-CAR website.
