Dracula is quite hospitable and proves to speak quite a high-level of English - as Harker seems to notice - and also notices that Dracula does not seem to eat or drink, and does not sleep until the crack of dawn. There are also no mirrors in the house. Dracula restricts Harker from entering any rooms with closed doors, but warns him in a way that suggests he may want him to do otherwise. When Harker is shaving, Dracula appears behind him and Harker notices that the Count does not have a reflection, cutting himself as a result. When Dracula notices the blood seeping from Harker's jaw, he seems to turn animalistic and grab him by the throat, only to notice the cross Harker wears and sets him down, leaving him be.</p>	<p>"In no place [in the castle] save from the windows in the castle walls is there an available exit. It is notable that he asks Harker to enter "of his own free will," since it is later revealed by Van Helsing that Dracula himself can only enter a room or building if invited inside by the party he wishes to attack. Dracula appears to apply this same rule to his intended prey.</p> <p>Dracula shares many of the physical characteristics typically associated with demonic or devil-figures in European myth and legend. Devils tend to have long faces, pointing chins and noses, dark or red eyes, and pale complexions framed by a shadowing darkness (perhaps dark hair, or dark clothing).</p> <p>Dracula's rank breath suggests that his insides are somehow corrupt, which they are, given that he is undead and drinks blood.</p>	<p>"Man is not truly one, but truly two." - The Strange Case of Dr Jekyll and Mr Hyde.</p> <p>The theme of dark and malicious desires - The Picture of Dorian Grey.</p>

Literature for Young Adults have the potential to make that connection and motivate them to read It explores a great variety of works genres and formats but it places special emphasis on contemporary works whose nontraditional themes protagonists and literary conventions make them well suited to young adult readers It also looks at the ways in which contemporary readers access and share the works they re reading and it shows teachers ways to incorporate nontraditional ways of accessing and sharing books throughout their literature programs In addition to traditional genre chapters Literature for Young Adults includes chapters on literary nonfiction poetry short stories and drama cover art picture books illustrated literature and graphic novels and film It recognizes that while films can be used to complement print literature they are also a literacy format in their own right and one that young adults are particularly familiar and comfortable with The book s discussion of literary language including traditional elements as well as metafictional terms enables readers to share in a literary conversation with their students and others when communicating about books It will help readers teach young adults the language they need to articulate their responses to the books they are reading
