You want to write a book and you have some ideas about what it should be like but you just can't seem to get started on that book. What you need is a good book outline. *How to Outline a Nonfiction Book* will help you break through the barriers holding you back and will put you directly on the path to writing the nonfiction book that you have been sitting on for a long time. Most people have ideas for their book but the ideas are very chaotic and there are a lot of holes that need to be filled before the book can be written. It is all very overwhelming. The problem is you don't know what you don't know about what needs to be in the book and how to organize the book and so many other things. This book will kickstart your book writing experience by helping you get those ideas down then creating the ultimate outline that will guide you from the beginning of your book to the end. The outline is the key and this book will give you all of the knowledge you need to get that outline created. The book features 10 different types of nonfiction book outlines and what is expected for each of the 10 different types of nonfiction books. It even comes with templates for each type of book. Each chapter has a conclusion that summarizes exactly what needs to be done and exercises so that you will actually start the outlining process with the easy step by step instructions. Start now on your greatest journey, the journey to becoming a published author and do it now by creating the perfect book map called an outline. **The Beginner Author's Outline Notebook** M. M.
