Donald Goines And Shirley:

The Concise Oxford Companion to African American Literature William L. Andrews, Frances Smith Foster, Trudier Harris, 2001-02-15 A breathtaking achievement this Concise Companion is a suitable crown to the astonishing production in African American literature and criticism that has swept over American literary studies in the last two decades It offers an enormous range of writers from Sojourner Truth to Frederick Douglass from Zora Neale Hurston to Ralph Ellison and from Toni Morrison to August Wilson It contains entries on major works including synopses of novels such as Harriet Jacobs's *Incidents in the Life of a Slave Girl* Richard Wright's *Native Son* and Lorraine Hansberry's *A Raisin in the Sun* It also incorporates information on literary characters such as Bigger Thomas Coffin Ed Johnson Kunta Kinte Sula Peace as well as on character types such as Aunt Jemima Brer Rabbit John Henry Stackolee and the trickster Icons of black culture are addressed including vivid details about the lives of Muhammad Ali John Coltrane Marcus Garvey Jackie Robinson John Brown and Harriet Tubman Here too are general articles on poetry fiction and drama on autobiography slave narratives Sunday School literature and oratory as well as on a wide spectrum of related topics Compact yet thorough this handy volume gathers works from a vast array of sources from the black periodical press to women's clubs making it one of the most substantial guides available on the growing exciting world of African American literature

The Blacker the Ink Frances Gateward, John Jennings, 2015-07-16 When many think of comic books the first thing that comes to mind are caped crusaders and spandex wearing super heroes Perhaps inevitably these images are of white men and more rarely women It was not until the 1970s that African American superheroes such as Luke Cage Blade and others emerged But as this exciting new collection reveals these superhero comics are only one small component in a wealth of representations of black characters within comic strips comic books and graphic novels over the past century *The Blacker the Ink* is the first book to explore not only the diverse range of black characters in comics but also the multitude of ways that black artists writers and publishers have made a mark on the industry Organized thematically into panels in tribute to sequential art published in the funny pages of newspapers the fifteen original essays take us on a journey that reaches from the African American newspaper comics of the 1930s to the Francophone graphic novels of the 2000s Even as it demonstrates the wide spectrum of images of African Americans in comics and sequential art the collection also identifies common character types and themes running through everything from the strip *The Boondocks* to the graphic novel *Nat Turner* Though it does not shy away from examining the legacy of racial stereotypes in comics and racial biases in the industry *The Blacker the Ink* also offers inspiring stories of trailblazing African American artists and writers Whether you are a diehard comic book fan or a casual reader of the funny pages these essays will give you a new appreciation for how black characters and creators have brought a vibrant splash of color to the world of comics

The Lever of Riches Joel Mokyr, 1992-04-09 In a world of supercomputers genetic engineering and fiber optics technological creativity is ever more the key to economic success But why are some nations more creative than others and why do some highly innovative societies such as ancient China or Britain in the industrial revolution pass into stagnation Beginning with a fascinating concise history of technological progress Mokyr sets the background for his analysis by tracing the major inventions and innovations that have transformed society since ancient Greece and Rome What emerges from this survey is often surprising the classical world for instance was largely barren of new technology the relatively backward society of medieval Europe bristled with inventions and the period between the Reformation and the Industrial Revolution was one of slow and unspectacular progress in technology despite the tumultuous developments associated with the Voyages of Discovery and the Scientific Revolution What were the causes of technological creativity Mokyr distinguishes between the relationship of inventors and their physical environment which determined their willingness to challenge nature and the social environment which determined the openness to new ideas He discusses a long list of such factors showing how they interact to help or hinder a nation's creativity and then illustrates them by a number of detailed comparative studies examining the differences between Europe and China between classical antiquity and medieval Europe and between Britain and the rest of Europe during the industrial revolution He examines such aspects as the role of the state the Chinese gave up a millennium wide lead in shipping to the Europeans for example when an Emperor banned large ocean going vessels the impact of science as well as religion politics and even nutrition He questions the importance of such commonly cited factors as the spill over benefits of war the abundance of natural resources life expectancy and labor costs Today an ever greater number of industrial economies are competing in the global market locked in a struggle that revolves around technological ingenuity *The Lever of Riches* with its keen analysis derived from a sweeping survey of creativity throughout history offers telling insights into the question of how Western economies can maintain and developing nations can unlock their creative potential

The Concise Oxford Dictionary of Proverbs J. A. Simpson, Jennifer Speake, 1998 Proof of the principle the more the merrier this is an expanded edition of an ever popular dictionary Now reissued and updated this invaluable work of reference provides the reader with over 1 000 of the best known English proverbs from around the world For this third edition the explanatory

material has been expanded and new proverbs added including Never say never It takes one to know one The devil is in the details and If you want something done ask a busy person Key features of the third edition Updated to include every major proverb in use in the twentieth century Quotations provide a fascinating history of each proverb Thematic index helps you find proverbs on subjects ranging from boasting to weddings **Daddy Cool** Donald Goines,1997 Donald Goines s novels have sold millions of copies in the inner cities rappers are big fans Originally published in 1974 this high profile paperback reprint takes him mainstream It s about time Suzanne Rura Entertainment Weekly **Eldorado Red** Donald Goines,2024-04-23 When it comes to fast authentic hard hitting street lit the OG godfather of urban lit was in his bag with this joint set in the streets of 1970s Detroit where blood isn t always thicker than water Eldorado Red has it all new cars women and plenty of money But when you re the top dog the sure bet is that someone everyone wants to take what you got You just never think your own flesh and blood will pull the trigger Now Eldorado s son Buddy is on the run The thing is Eldorado wants to let him go but in the law of the streets retribution has a mind of its own **A Dictionary of Proverbs** Jennifer Speake,2008-10-23 Seeing is believing when it comes to this authoritative A Z Find proverbs relevant to all aspects of life look up your old favourites and learn punchy new expressions to make your point You can t have too much of a good thing with this entertaining and informative collection Over 1 100 of the most widely used proverbs in English Expanded coverage of foreign language proverbs currently in use in English Illustrative quotations taken from the Oxford English Corpus the world s largest language databank Fascinating histories given for each proverb including their earliest usage and Includes a thematic index for quick reference **BOOK JACKET** **Black Girl Lost** Donald Goines,2023-04-25 From the Godfather of Black pulp fiction Salon and one of the most revolutionary writers of the 20th century the classic tale of a woman living life in the ghetto without any rules Almost since the day she was born Sandra had to fend for herself on the streets of Detroit Crime and pain were her closest companions Then someone she had no business believing in waltzed into her life a man willing to watch her back and show her how to make easy money But when Chink gets caught Sandra commits the ultimate act of love to keep her man out of jail For a black girl lost murder was always in the cards **Dopefiend** Donald Goines,2021-07-27 Machiavelli was my tutor Donald Goines my father figure Tupac Shakur The true Black voice of his generation Donald Goines wrote novels that nailed the harsh realities of the urban experience deep into the psyche of today s hip hop culture influencing major artists from Jay Z and 50 Cent to Nas and Ghostface Killah Dopefiend is Goines classic descent into the junkie s harrowing nightmare Teddy finally got the girl of his dreams Together Teddy and Terry filled people with admiration wherever they went Young gifted and black the future was theirs for the taking But Teddy had a small little addiction Then Terry had a taste Then life took a wrong turn into the darkest vilest back alleys Drawing from years of his own addiction to heroin Goines holds nothing back in this graphic unflinching tale of lives destroyed by drugs Each page tells it like it is the whole truth and nothing but the truth which keeps you coming back for more **BLACK ENTERPRISE BEST**

BOOKS OF ALL TIME **Random House Dictionary of Popular Proverbs & Sayings** Gregory Titelman, 1996 An annotated reference of more than 1 500 proverbs and sayings of the American language **Donald Writes No More** Eddie Stone, 2001 *The Oxford Dictionary of Proverbs* Jennifer Speake, J. A. Simpson, 2003 This brand new edition is a valuable updating and revision of the well loved classic The Concise Oxford Dictionary of Proverbs with increased coverage of 1 100 proverbs Presented in a thoroughly reader friendly style yet staying true to the scholarly standards that have characterized earlier editions it offers more detailed annotation and up to the minute citations from around the English speaking world New additions include another day another dollar bad things come in threes better to live one day as a tiger than a thousand years as a sheep and there is more than one way to skin a cat with new illustrative quotations putting proverbs in their historical context This edition also contains a full thematic index *The Greenwood Encyclopedia of African American Literature: D-H* Hans A. Ostrom, J. David Macey, 2005 Designed to meet the needs of high school students undergraduates and general readers this encyclopedia is the most comprehensive reference available on African American literature from its origins to the present Other works include many brief entries or offer extended biographical sketches of a limited selection of writers This encyclopedia surpasses existing references by offering full and current coverage of a vast range of authors and topics While most of the entries are on individual authors the encyclopedia gathers together information about the genres and geographical and cultural environments in which these writers have worked and the social political and aesthetic movements in which they have participated Thus the encyclopedia gives special attention to the historical and cultural forces that have shaped African American writing Publisher
