This Children s Book of Mormon Study Guide has a section for each Chapter in the Book of Mormon with questions that will help you read a little deeper and understand the scriptures a little better Write or doodle your answers There are also some Illustrated verses throughout the journal You can color them or add your own doodles In fact you don t have to write anything at all if you don t want to you could just draw everything you learn instead **The Book of Mormon Made Easier: Part 1: 1 Nephi Through Words of Mormon** David J. Ridges,2007-09 In our busy world we sometimes find our scripture study isn t always productive The solution is here with The Book of Mormon Made Easier Series Parts 1 2 and 3 Along with the complete text of the Book of Mormon this valuable study guide includes in the verse notes and additional insights and commentary A perfect study companion The Book of Mormon Made Easier: David J. Ridges,2004-07-01 New Cover In our busy world we sometimes find our scripture study isn t always productive the solution is here with the Book of Mormon Made Easier Along with the complete text of the Book of Mormon this valuable study guide includes in the verse notes and additional insights and commentary a perfect study companion **House of Israel and Belief** Tom Matkin,2010-12-23 Whenever I purchase a new copy of the Book of Mormon for my own use one of the first things I do is to divide the pages up into 30 blocks by marking the top corner of each page The first eighteen pages get number 1 and the next get number 2 and so forth The last few pages are 30 My practice then is to read and study a block every day of the month and this completes the book every month And I never have to remember where I am I just have to figure out what day of the month it is Often I will select a gospel focus topic and make notes usually in Microsoft One Note of my impressions on that topic sometimes putting the relevant text in my notes as well This volume is made up of the notes from two such months of study The first was a look at the use and meaning of the House of Israel and the second a focus on belief These don t have any special correlation with each other except that both were among my most favorite and enlightening studies That is to say that the Book of Mormon has many amazing insights and teaching on those two topics Insights that are largely missed unless you are specifically looking for them Also it may be a little more economical for me to put some of these shorter notes together into one volume I don t want the books to be so thick they are awkward to handle but a couple hundred pages seems

okay So the House of Israel got piggybacked with belief I m nothing if not practical As always I hasten to add that this is not meant as a commentary on the Book of Mormon At least not a commentary for you It s just my notes and I m preserving them for me If anything I hope it serves as an example of a possibility for you Read the book yourself and make your own notes There are blessings to be had by flooding your life with the Book of Mormon that can t be had any other way
