Terrorist and Insurgent Groups A Global Survey of Threats Tactics and Characteristics examines the most current and
significant terrorist and insurgent groups around the world The purpose is to create a descriptive mosaic of what is a
pointedly global security challenge The volume brings together conceptual approaches to terrorism insurgency and
cyberterrorism with substantive and empirical analyses of individual groups organisations and networks By doing so not only
does the coverage highlight the past present and future orientations of the most prominent groups but it also examines and
illustrates their key characteristics and how they operate including key leaders and ideologues Highlighting specific
individual groups the chapters collectively present a robust and comprehensive outlook on the current geography of
terrorism and insurgency groups operating in the world today This comprehensive volume brings the collective expertise and
knowledge of more than 50 academics intelligence and security officials and professionals together all of whom are
considered subject experts in their respective areas of research and practice The volume is based on both desk based and
fieldwork conducted by experts in these areas incorporating analyses of secondary literature but also the use of primary data
