MESSAGE FROM THE BOARD

The last holiday weekend is in the books. The weather was fabulous and the planned activities and the bands were great. The last event weekend of the year will be Fall Fest which is October 11-12th. One of my favorite events is trunk or treat which will be held on October 25th. The costumes are great and there's lots of candy!

I would like to share a couple of projects the Board and Staff have been working on.

First is the solar panel project. The Board spent 2-3 months reviewing the project with staff and the Arrow group who designed the project and will be installing it. The Board approved the project unanimously at the August 24th meeting. There will be 10 locations that will be installed to help offset the ever increasing electricity costs. The cost will be over \$1 million dollars but over the next few years we will recover 60-70% of the money thru federal and state grants. Our return on investment should be in the 3-5 year range.

Construction will begin in the near future.

The second project the Board and Staff is working on is the Pool 2 replacement project. This project is still in the review process and could still see changes as we move along. The Woodhaven Association Website has posted the pictures and inform on the current plans. Please take the time to look at the information because this is a major project that has been budgeted for in our reserve plan. Any questions or comments please feel free to use our speak up sheet program. Staff and the Board reviews all the speak up sheets. There is no date set yet for a Board vote on this project. Please watch the agendas when the are posted in the coming weeks.

Unfortunately winter will be here soon so please remember to winterize your park models, trailers, and motor homes.

Looking forward to seeing everyone at Fall Fest and Trunk or Treat!
