

American Gov. Chapter 1 Notes

1.1

***Government:** How society organizes itself and allocates authority to accomplish collective goals

- Gov. benefits for citizens examples: Education, health care, and an infrastructure for transportation

***Politics:** The process of gaining and exercising control within a gov. To achieve goals

- Gov. systems and economic systems get confused for one another because some political thoughts are closely related to some economic systems
 - Ex: Capitalism developed around the same time as democratic republics, self-gov. and natural rights

***John Locke:** "All people have natural rights to life, liberty and property (be free to consent to being governed)"

***Adam Smith:** "All people should be free to acquire property in any way instead of being controlled by the gov"

***Democracy:** Political system where people govern themselves with capitalism

***Socialism:** Economic system where generated wealth are owned by gov's, and not private individuals

***Oligarchy:** Only members of a certain political party or ruling elite can participate in gov Ex: [China=Communist Party]

***Private Goods:** Food, clothing, housing etc are provided in ample supply by private businesses that earn a profit in return

***Public Goods:** Goods that are provided by the gov. and are available to all without charge (national security and education)

***Toll Good:** Goods that are available but only if people can pay the price (private school) vs public school

- Exs of public goods: Emergency services, mail services

***Common Goods:** Goods that people can use free of charge but are of limited supply

Ex: Fish, Clean drinking water -REGULATED ACCESS-

- In the U.S. people elect representatives to city councils, state legislature, and congress (they make laws to govern their jurisdiction)

1. **Local Level:** Funds are allotted for education, police, fire departments and maintenance of public parks (state governments allocate money for roads, bridges, state colleges and universities)
2. **National Level:** Money goes to defense social security, maintenance of federal courts and prisons, and pensions for veterans
3. **Each Level:** Representatives try to secure funding for things that will benefit those who live in the area they represent

★ Local, state and national governments make laws to maintain order and
