Google My Business 4.0 Training Guide Laura Maya, 2022-02-17 Google My Business now known as the Google Business Profile enhanced as a free service that helps small businesses manage their online presence. It allows them to create a Google Business profile page which is a dedicated page for their business on Google Maps, Google search, and other Google products all together in one place. Google and the pandemic has made GMB into the most important local marketing tool for SMBs and multi-location brands. The search engine has easily retained its position as the most popular search engine in the world with over 92% of the search market share and it is only growing. Therefore, it is vital for businesses to optimize their sites for Google search. For all businesses, business profile is an essential part of any business's online presence and is often the first place customers look for up-to-date information about your company. In the age of Covid 19, this is more true than ever. They're going to Google your business's name and check the right-hand panel for the information they need. Creating, authenticating, and correctly optimizing your business account is a priceless opportunity which is why you should make use of it to the maximum and here with Google My Business 4.0 Training Guide, this book is the 4th book in a series under the same title of which we maintain the same will assist every business to enhance their Google Business Profile. In each chapter of the guide, we'll cover a different topic you should have a foundational understanding of what Google My Business is and how to use it to gain more visibility in local search for your or your client's business. Using the strategy and information provided in our Mastery Guide, you will master the essentials of claiming and optimizing an effective GMB listing that will get you top rankings. Throughout the guide, keep your eyes peeled for top tips, expert advice, and recommended resources. This course includes some of the recent critical updates including latest features and updates to Google My Business: How to Add Keywords to Google My Business Profile, What are GMB Insights and Analytics and How to use them, How to create them, and tips for creating winning Google My Business Posts, Tips for Practitioner Listings in the profile, What are the big mistakes to avoid with Listings and how to fix them, What is Google Knowledge Panel, how to create it and edit it, Why are Google Reviews Important, How to Track them, how to respond to them, Business Case studies, and so much more. The events of the past year have catapulted GMB into the digital marketing spotlight. Every month, an average business gets 59 actions from GMB listing. 49% of the business gets 1,000 views monthly. Eighty-six percent of people look at the location of a business through Google Maps. Backlinko 2020: Businesses enjoyed a 61 percent increase in calls from January to July 2020 thanks to their listing. Repair Smartiepants Ken Jaskulski, 2019-11-28 COMPUTER REPAIR Smartiepants was written for the computer novice. COMPUTER REPAIR Smartiepants will teach the computer challenged person or senior how to diagnose and repair over 85% of all computer problems without requiring the assistance of a computer store or technical guru. This book was written by a Computer Store owner whose stores have serviced over 50,000 computers, tablets, phones, and monitors since 1988. No technical expertise is necessary to follow the instructions provided. The reader will learn the Three Golden Rules for staying out of computer trouble, how to diagnose any problem, not just computers, and how to recover when a computer crashes with a minimum of effort. The reader will also learn how to diagnose whether a computer problem is hardware or software related, how to repair or re-install Windows, how to remove viruses, spyware, and malware, how to speed up a computer, how to get free online help with a computer problem, you can't diagnose the best free programs and online websites, the real cost of free stuff, how to get priority treatment from a manufacturer, questions to ask at a computer service counter if you need to use one, and how to determine if a computer is worth fixing in the first place. Other useful information includes how to retrieve data from a broken computer, how to properly return a computer for warranty repair, how to select a printer and save money on printer ink and toner, how to quickly fix web browser and wireless problems, mistakes users make that junk up their computers, social media blunders, desktop versus notebook repairs, how to use a trainer, and when not to use onsite service. Also covered is basic hardware repair, how to learn Windows without a trainer, online safety, extended warranties, PCs versus Apple, and the most important Windows screen to learn. Also covered are minor repairs for printers and how to select a printer based on ink and toner costs, repairs on smartphones, tablets, and in-home Internet problems. Finally, the book covers how to diagnose most problems within 5 minutes, websites for ongoing free computer help, access to free ongoing blog help, and how to hire the author if low-cost, high-quality computer assistance is required. A must-read for any computer-challenged person that would like more control over a cranky computer. The author has 30 years experience repairing computers. His clientele was primarily seniors and computer-challenged people, and COMPUTER REPAIR Smartiepants was written for them. *Bigelow's Computer Repair Toolkit* Stephen J. Bigelow, 1997. Accompanying CD-ROM has more than 100 freeware and shareware programs for troubleshooting and fine-tuning PCs. *Start Your Own Computer Repair Business* Linda Rohrbough, Michael F. Hordeski, 1995. Covering all aspects of setting up a home-based operation, this guide includes information on everything from computer parts and tools to pricing and advertising. The bundled shareware disk includes a collection of diagnostic tools. The first book on starting a PC repair business, this guide could help launch many successful home business ventures during the 90s. **Computer Repair with Diagnostic Flowcharts** Morris Rosenthal, 2008. *Computer Service and Repair* Dr. Adam Beatty, PhD, Richard M. Roberts, 2023-11-20. The student Laboratory Manual provides questions that reinforce and review textbook content. Organized to follow the textbook on a lesson-by-lesson basis, assignments help students engage with the textbook content and aid in effective retention of key facts, ideas, and concepts.
