The Writer's Guide to Weapons Benjamin Sobiech,2015-07-09 When it comes to writing weapons most authors shoot from the hip and miss *The Writer's Guide to Weapons* will help you hit your target every time Firearms and knives have starring roles in a wide range of genres crime thriller war mystery Western and more Unfortunately many depictions of weapons in novels and film are pure fiction Knowing the difference between a shotshell and a slug a pistol and a revolver or a switchblade and a butterfly knife is essential for imbuing your story with authenticity and gaining popularity with discerning readers Inside you'll find An in depth look at the basics of firearms and knives how they work why they work what they look like and how to depict them accurately in your stories The biggest weapons myths in fiction TV and film A surefire guide for choosing the correct weapon for your characters no matter their skill level strength or background A review of major gun and knife laws weapons safety tips and common police tactics The Hit List showcasing the most popular weapons for spies detectives gunslingers gangsters military characters and more Examples highlighting inaccurate vs accurate weapons depictions An insightful foreword by David Morrell the award winning creator of Rambo Equal parts accessible humorous and practical *The Writer's Guide to Weapons* is the one resource you need to incorporate firearms and knives into your fiction like a seasoned professional

First They Came for the Gun Owners Mark W. Smith,2019-10-29 Bestselling author and attorney Mark W Smith exposes the all encompassing nature of the anti gun lobby's attack on the right to keep and bear arms and how it serves as a proxy to empower government to control other important aspects of our lives Smith notes that it's no accident that the people who oppose the Second Amendment also argue for bigger government in other areas as well as favoring sharp limits on free speech and property rights Taken together it is an all encompassing attack on individual liberties by those who consider themselves intellectually and morally superior to average Americans Smith makes a compelling and urgent case that protecting and preserving our right to bear arms is an imperative for all who value freedom whether you own a gun or not

Why States Matter Gary F. Moncrief,Peverill Squire,2020-02-17 When it comes to voting taxes environmental regulations social services education criminal justice political parties property rights gun control marriage and a whole host of other modern American issues the state in which a citizen resides makes a difference That idea that the political decisions made by those in state level offices are of tremendous importance to the lives of people whose states they govern is the fundamental concept explored in this book Gary F Moncrief and Peverill Squire introduce students to the very tangible and constantly evolving implications limitations and foundations of America's state political institutions and accessibly explain the ways that the political powers of the states manifest themselves in the cultures economies and lives of everyday Americans and always will
