the period from 2019 to 2029 and will be the only place you will need to store your records It s better than an app because you and your child have access to it all the time and unlike a spreadsheet file it won t be lost after you ve updated your computer a few times As your child babysits shovels snow and mows lawns they will develop the habit of logging there payments in the book If they work for a company that supplies a W 2 that income can be added to any self employment work they have done to make the maximum contribution allowed for that year
