

Bennett Mechanical Comprehension Test® II

Look at the sample on this screen. It shows two men carrying a weighted object on a plank, and it asks, "Which man carries more weight?" Because the object is closer to man "B" than to man "A," man "B" is shouldering more weight; so you would select "B."

Which man carries more weight? (If equal, mark C.)

Measurements Yearbook contains original reviews of tests published or revised since the 1989 edition of the Tenth Mental Measurements Yearbook. The Supplement provides timely access to reviews of recently available tests. It also includes a helpful indexing system that integrates referencing across Buros Institute publications. Indexes of titles, classified subjects, names, and scores, as well as a publisher's directory, are included. The Yearbook includes detailed descriptive information and reviews for each test and extensive references on specific tests. The tests are listed in alphabetical order for easy reference. The biennial publication schedule for Yearbooks and Supplements began in 1988 with the Supplement to the Ninth Mental Measurements Yearbook. The publication of the Supplement to the Tenth Mental Measurements Yearbook continues this publication schedule, which facilitates timely access to test evaluation information and better meets the needs of test consumers. The Mental Measurements Yearbooks are widely regarded as an essential reference for users and developers of tests. Each Yearbook contains reviews of commercially available tests published or revised since the previous Yearbook. The Buros Institute of Mental Measurements, founded in 1938 by the late Oscar Krisen Buros, is located in the Department of Educational Psychology at the University of Nebraska.

The series, initiated in 1938, provides factual information, critical reviews, and comprehensive bibliographic references on the construction, use, and validity of all tests published in English. The objectives of the Mental Measurements Yearbooks have remained essentially the same since the publication of the series. These objectives include provision to test users of factual information on all known tests published as separates in the English-speaking countries of the world; candidly critical test reviews written for the MMY series by qualified professional people representing a variety of viewpoints; unique publication of each volume in the MMY series with new volumes supplementing rather than supplanting previous series volumes. Each yearbook is a unique publication supplementing rather than supplanting the previous volumes.
