Chamanisme Et Civilisation Chinoise Antique:

CHAMANISME ET CIVILISATION CHINOISE ANTIQUE Antony Tao, 2003-01-01 On se pose rarement la question de savoir dans le grand public quels sont les traits caractéristiques essentiels de la civilisation chinoise et on ne recherche pas les raisons de ses divergences profondes avec l'occident Au moment où ce pays essaie de retrouver la suprématie en Asie et où il merge de plus en plus sur la scène mondiale il n'est peut-être pas sans intérêt d'y voir plus clair Pour l'auteur le chamanisme sous sa forme volée de la divination permet d'apporter des réponses sur l'origine du fossé culturel et ses implications sur le plan scientifique sur celui de la modernisation et sur celui de la christianisation **THE LIMPIA IN THE**

MESOAMERICAN ETHNOMEDICINES Alfonso J. Aparicio Mena, Francesco Di Ludovico, 2013-03-18 A limpia cleansing in the Spanish language is a physical symbolic method used in the Mesoamerican traditional medical practices to reach a new balance The verb to clean means make something or someone free of dirt mess or defects When what is removed is visible the result of cleaning is an objective fact when however the alteration the defect the block inside the person is symbolic energetic the limpia becomes an act of faith a physical ritual that is a step away from the sacred or the traditional In fact according to Mesoamerican natives the human being is built up also by something more than the body this is a kind of vital energy that is an integral part of all creatures and of course the human being Not specific of Mesoamerican worldview the spiritual vibration is communicated with other discursive images by other ethnic groups coming from all around the world Mesoamerican people thus think that health problems have not only corporal or psychological causes and relations but energetic too The limpia makes the person connected with itself and with its own environment biological community and of cultural beliefs its purpose is to reharmonize the person with that environment removing and expelling from it the elements physical psychic social and symbolic causing its sickness or influencing it Rencontres et médiations entre la Chine,
