4. Confidential information is that information that is not generally known that the business's performance will be affected by its disclosure, whose loss would be a serious liability to the company, and that the information being used was obtained in a confidential manner.

8. What other consequences may result from the fact that the company is not able to pay its debts as they become due?

^aAdjusted according to gender, age, education, income, and other variables.

■ *Warning:* a rise in the short-term interest rate (compensating for a rise in the long-run rate) is good already in the short-term, because it will not reduce investment. There is also a small *good-for-good* effect.

5. Information technology is an organization's commitment to provide information services that qualify as the information system used to create and share the organization's knowledge and resources.

8. **Other witnesses:** In this case, all witnesses were in direct contact with the victim and the defendant and were the witnesses to the defendant's act directed with conscious intent against the victim's person.
