

Step 7

Mascara

Always wear mascara because even if you have dark, luscious eyes, thickening mascara gives natural lashes a defined look and a lift. If you have a sparse full set, the mascara will add definition and will prevent fraying when styling and brushing mascara. There's no wrong way to apply mascara. If you want a long-lasting look, it's a good idea if you wear a primer to hold it in place.

When applying mascara, hold the brush over your eye and wiggle the brush from the base of the lashes to the tips. Wiggle the brush to coat all segments of the lashes and push through. Repeat application to both eyes.

If you choose to curl the lashes, it's not before applying mascara. Curling before, after applying mascara, can break the lashes.

The thick mascara makes the most impact. Repeat brush for a better look.

Step 8

Blush

Always add a natural shade of blush to the apples of cheeks. Blend up toward the hairline, down toward the under-lip area.

For long-lasting results, have a mix of long-lasting and not.

For an extra glow, first a shimmer powder on the cheekbones with a fine blusher brush, or use a shimmery blusher applied with your fingers.

Always blot off excess powder from your face. If you feel powder settling, it is better to blot away any fine light layers than to remove makeup and start over.

The sugar or cream blush is a good option for the skin.

To add a warm cast to skin, use a blusher on areas where the sun normally hits the face—cheeks, forehead, nose, and chin.

Step 9

Lipstick

Start with clean, smooth lips.

Several lipstick shades and about **fourteen** can be matched closely from the color. One lip brush is usually better than a lipstick tube, which requires more application.

For a natural look of color that is a subtle wash of color, use a shade of shade. The more the color, the more natural the effect.

For a dramatic look, choose light to medium shades of shades or dark shades for a dramatic effect.

Step 10

Lip Liner

To achieve natural-looking definition and to keep color from fading, use lip liner. A lip liner also helps to define the lips and make the color and shade more noticeable.

To achieve a natural look, use a shade of shade. The more the color, the more natural the effect.
