Conscience Guide Rough Shopping:

The Rough Guide to Shopping with a Conscience Duncan Antony Clark, 2007 The Rough Guide to Shopping with a Conscience Duncan Clark, Richie Unterberger, 2007 This Rough Guide brings to the forefront the many issues surrounding the impact of daily shopping habits on this ever shrinking planet Two color Illustrations Ethical Chic Fran Hawthorne, 2012-06-19 How popular companies like Apple and Trader Joe s project a hip progressive image and whether we should believe them Consumers are told that when they put on an American Apparel t shirt leggings jeans gold bra or other item they look hot Not only do they look good but they can also feel good because they are helping US workers earn a decent wage never mind that some of those female workers have accused their boss of sexual harassment And when shoppers put on a pair of Timberlands they feel fashionable and as green as the pine forest they might trek through that is until they re reminded that this green company is in the business of killing cows But surely even the pickiest most organic most politically correct buyers can feel virtuous about purchasing a tube of Tom s toothpaste right After all with its natural ingredients that have never been tested on animals this company has a forty year history of being run by a nice couple from Maine well ahem until it was recently bought out by Colgate It s difficult to define what makes a company hip and also ethical but some companies seem to have hit that magic bull s eye In this age of consumer activism pinpoint marketing and immediate information consumers demand everything from the coffee computer or toothpaste they buy They want an affordable reliable product manufactured by a company that doesn t pollute saves energy treats its workers well and doesn t hurt animals oh and that makes them feel cool when they use it Companies would love to have that kind of reputation and a handful seem to have achieved it But do they deserve their haloes Can a company make a profit doing so And how can consumers avoid being tricked by phony marketing In Ethical Chic award winning author Fran Hawthorne uses her business investigative skills to analyze six favorites Apple Starbucks Trader Joe s American Apparel Timberland and Tom s of Maine She attends a Macworld conference and walks on the factory floors of American Apparel She visits the wooded headquarters of Timberland speaks to consumers who drive thirty miles to get their pretzels and plantains from Trader Joe s and confronts the founders of Tom s of Maine More than a how to guide for daily dilemmas and ethical business practices Ethical Chic is a blinders off and nuanced look at the mixed bag of values on sale at companies that project a seemingly progressive image **The Rough Guide to Sydney** Rough Guides, 2009-10-01 The Rough Guide to Sydney is your indispensable travel guide with clear maps and detailed coverage of Australia s oldest largest and most vibrant city As well as step by step accounts of Sydney s city centre attractions you ll find full coverage of Sydney s magnificent beaches including quintessential surfing destination Bondi Beach Sydney s beautiful harbour where magnificent wild landscapes lie within easy reach by ferry and the surrounding countryside including the spectacular mist shrouded Blue Mountains and the wine lovers paradise of the Hunter Valley Besides in the know reviews of Sydney s hotels hostels and nightlife The Rough Guide to Sydney details Sydney s vibrant dining scene
