Building a European Public Sphere Robert Frank,2010 The book edited by four known specialists of European history presents for the first time a discussion among European historians on the European public sphere since the 1950s It treats the general perspective and deals also in special articles with the role played by the European Union by the Council of Europe and by national media such as television and film The volume shows that the role of the European public sphere is often underestimated and that it is gradually becoming more influential and forceful not only in politics but also in culture Sous la direction de quatre sp cialistes renomm s de l histoire europ enne cet ouvrage pr sente de fa on in dite un d bat entre historiens de l Europe sur l espace public europ en et son volution depuis les ann es 1950 La question est abord e dans son ensemble mais certaines contributions traitent aussi plus sp cifiquement du r le

Pouvoir politique et espace religieux au Sénégal Mountaga Diagne, 2014-10-15 Peu de tudes font l'analyse de la portée politique des espaces religieux. Pourtant en s'y intéressant on peut mener un regard empirique et sociohistorique du politique. Dans trois communautés Mourides, Tidjanes, Niassanes et Layennes et trois espaces religieux Touba, Médina Baye et Cambérène au Sénégal nous observons les interactions entre divers acteurs qui gagnent du capital social et symbolique pour assurer la gouvernance.

Rester délinquant Géraldine Duvanel Aouida, 2016-05-08 L'ouvrage a pour objectif de rendre intelligible le processus d'ancrage dans un parcours durable de délinquance juvénile et de mettre en lumière une forme d'agir explicative du rester délinquant, l'agir municipalitaire. Destin aux chercheurs, aux praticiens et plus généralement qui souhaite mener une réflexion poussée sur la récidive des mineurs, cet ouvrage propose une compréhension du parcours de ces jeunes, ni victimes ni coupables mais la fois acteurs et captifs.

Espace et construction identitaire en psychomotricité Léna Boudan-Huez, 2011 Ce mémoire s'appuie sur le suivi de deux patients, L. et Tranget, dont ils sont porteurs, mais nous questionne sur les rapports que l'Homme entretient avec l'espace. En trois temps et par le jeu des espaces, l'homme va passer d'une identité humaine, une identité humaine consciente et une identité culturelle. La rencontre l'autre va demander la création d'un troisième espace intermédiaire, au dedans et au dehors. Mais lorsque l'accès à ces différents statuts identitaires est mis mal, l'Homme est propulsé en marge de la société par Tranget. Aussi, c'est sur ce jeu des espaces et par conscience de la souffrance créée par l'entre-deux que j'ai choisi d'axer ma réflexion, les accompagnant dans leurs difficultés.

Identités Régionales Et Nationales en Europe Aux XIXe Et XXe Siècles Heinz-Gerhard Haupt, Michael G. Müller, Stuart Joseph Woolf, 1998-07-03 In late 20th century Europe both national and regional loyalties have retained a surprising strength and topicality despite the advance of supra-national integration. This volume addresses some specific aspects of this phenomenon that lay at the centre of the interdisciplinary work of the first European Forum of the European University Institute in Florence during the academic year 1993-94. It aims at contributing to a better understanding of the origins and the nature of territorially based identities in Europe and it also offers some analysis of current problems arising at various levels of the relationships between regional, national and international structures. The contributions to this volume refer to three major fields of historical and contemporary research: The study of the factors that constitute territorially based imagined communities; Under what conditions can certain cultural characteristics shared by a given group such as language, religious affiliation or cultural heritage acquire social and political meaning in a process of creating territorial loyalties; And how do regional and national loyalties relate to other patterns of particularist group identities. In examining these questions special attention is given to the concept of primordial identities and to the problem of ethnicity. The analysis of the mechanisms by which particular group interests, social, political or cultural, are translated into narratives of regional or

national identity The loyalty to a community within a given territory is never merely a product of invention and of arbitrary ideological indoctrination **Espaces et sociétés** ,2007 **Re-exploring Canadian Space** Jeanette M. L. den Toonder,Bettina van Hoven,2012 A variety of productions and representations of Canadian identities are the central theme that runs through this book The different contributions explore imagined spaces by considering Canadian music poetry and novels they engage with political space by addressing various ways in which the people of Canada have made claims to different regions in the distant and recent past and they address lived spaces and their actual and symbolic meanings It is an unusual book as it encompasses the writings by those studying the arts and literature as well as writings by social scientists and it includes both English and French speaking scholars The richness that can be found in this multitude of perspectives and approaches to exploring Canadian space is characteristic of the way in which Canadian Studies is practiced nowadays It is therefore an appropriate volume to celebrate 20 years of Canadian Studies in the Netherlands Glocalisation de la communication publicitaire Gervais Cwako Monkam,José Botetem Munne Batet,2020-12-03 Dans un contexte hyperconcurrentiel la communication publicitaire des entreprises se doit d'être active et flexible intégrant chaque fois la spécificité du contexte local l'évolution du village planétaire qui impose un modèle une vision et des moyens universels dans les modes de vie et de consommation il est urgent de penser global et agir local Cet ouvrage contient des données factuelles et des perspectives pour repenser le métier de la communication publicitaire en intégrant les contextes socioculturels **Imaginaire de l'espace** Kacem Basfao,1988 **Africa Development** ,2008 A quarterly journal of the Council for the Development of Economic and Social Research in Africa Revue trimestrielle du conseil pour le développement de la recherche économique et sociale en Afrique **Adolescence et psychopathologie** Daniel Marcelli,Alain Braconnier,Louis Tandonnet,2018-11-13 L'adolescence est l'époque où chaque individu doit pouvoir se soucier de lui-même ou en d'autres termes développer son propre regard une connaissance de soi et de ses limites l'intérieur desquelles la capacité prendre soin de soi est un facteur fondamental de santé physique et mentale actuelle et future Cela ne se fait ni en un jour ni par la grâce d'une génération spontanée L'objectif le plus ambitieux de cet ouvrage qui fête ses 35 ans et accueille de nouveaux collaborateurs est d'apporter chaque professionnel au contact d'adolescents en difficulté les connaissances et les repères lui permettant de répondre au mieux cette priorité Daniel Marcelli Alain Braconnier l'occasion de cette 9^e édition la structure a entièrement été remaniée avec l'ajout de nombreux nouveaux chapitres L'ouvrage se présente désormais sous 4 grandes parties les bases théoriques et généralistes les grands regroupements syndromiques approche nosographique et psychopathologie des conduites l'adolescent dans son environnement et enfin la thérapie Cette nouvelle édition tient compte de la sortie du DSM 5 Mande Studies ,2007 **Sahel : entre crises et espoirs** Dambo Lawali,Amadou Boureima,2014-02-01 Ce livre aborde la fois les questions d'occupation historique de l'espace sahélien les difficultés de valorisation des ressources naturelles les adaptations internes et suscitées de l'extérieur les migrations et espoirs de lendemains meilleurs Les différents
