Exploring the Dynamics of Consumerism in Developing Nations Gbadamosi, Ayantunji, 2019-01-11 As developing nations increase their consumption rate their relevance in the global marketplace grows Existing assumptions and postulations about consumer consumption in various societies are being displaced largely due to the dynamic nature of the market However research has not been adequately devoted to explore the developments in consumer behavior in developing nations which has resulted in numerous unanswered questions Exploring the Dynamics of Consumerism in Developing Nations provides vital research on consumer behavior in developing countries and changes in the socio cultural dimensions of marketing While highlighting topics such as celebrity influence marketing malpractices and the adoption of e government this publication is ideally designed for researchers advanced level students policymakers and managers

Consumer Behavior Leon G. Schiffman, Leslie Lazar Kanuk, 2007 With a strong empirical and market segmentation approach this book focuses on how the Internet has changed the way people obtain information about potential purchases giving readers the most up to date material on how technology is changing their lives as consumers The Thirty two mini cases help readers learn by applying the theory drawing on current business news to demonstrate specific consumer behavior concepts This edition now includes thirty two Active Learning mini cases A clear consumer decision making model is set out in each chapter to facilitate learning presented in the first chapter this model serves as a structural framework for the concepts the building blocks examined in the following chapters The book

s final chapter ties all of these concepts together so readers see the interrelationships and relevance of individual concepts to consumer decision making For those studying consumer behavior and or marketing

Battleground: Business Peg Thoms, Michael Walden, 2007-10-30 Business is one of the most potent cultural forces today profoundly affecting every facet of our lives whether we are working in a corporate environment or not This book surveys some of the most controversial issues and topics central to the contemporary business world Included are more than 70 alphabetically arranged entries written by expert contributors Each entry explores a topic s relevance and influence highlights opposing viewpoints provides sidebars of interesting information and lists resources for further research For students and general readers this book is an engaging accessible and essential resource on the role of business in society Globalization Outsourcing Downsizing These are some of the economic issues at the center of today s society Time after time we see that business is one of the most powerful forces in the modern world profoundly affecting every facet of our lives whether we work in a corporate environment or not Because in one way or another the world is all about economics students need to understand and appreciate the role of business in their lives This book overviews the most important topics and issues characterizing the role of business in today s society Included are alphabetically arranged entries on more than 70 critical issues or topics central to the role of business in our lives Each is written by an expert contributor and provides a summary of the topic s relevance and influence a consideration of opposing viewpoints and a list of resources for further research For students and general readers this book is an engaging accessible and essential resource on the role of business in everyday life
