

A woman with long dark hair is sitting in a meditative lotus position on a wooden floor. She is wearing a white long-sleeved top and dark pants. A bright, glowing yellow and orange aura surrounds her body, particularly concentrated around her head and chest. The background is a rustic interior with dark wood paneling and stone walls. There are two dark wooden doors on either side of a central fireplace area filled with logs. The lighting is warm and focused on the woman.

realm in your natural state of existence but in the physical realm as well This book covers the following topics Origins of spiritualism AND MANY MOORE With this wonderful ability certain precautions or safeguards were put into place to make sure that you get the most possible spiritual growth out of each reincarnation What is reincarnation One of the safeguards put into place for your trip into the physical realm was to make sure that you never make this transition alone or without any spiritual guidance from the Other Side Why Well because it makes good sense Just think about it you are a spiritual being having a physical experience not the other way around During this transition you can also get what I call spiritual amnesia What is spiritual amnesia It s when you forget about the spiritual realm and your natural state of existence Why should it matter if you forget about the spiritual realm why you are here on earth while in the physical realm Because if this happens you also forget about the many spiritual tools that you have access to These tools in actuality work very well in the physical realm However it is hard to access something that you have forgotten about There are many things that you are capable of things that are not taught to you when you are in physical form In fact you when you are in physical form most people are taught how not to use their spiritual tools It is for these reasons mentioned that you are required to have some form of spiritual guidance Spiritual guidance comes to you through different avenues and in different forms One important avenue is by the way of a Spirit Guide Spirit Guides are regular spirits just like you who have incarnated here on earth at least one time before Buy is NOW and let your Customers get addicted to this amazing book
