**Ebook: Managerial Accounting - Global Edition** Ronald Hilton, David Platt, 2014-09-16 We are pleased to present this Global Edition which has been developed specifically to acquaint students of business with the fundamental tools of managerial accounting and to promote their understanding of the dramatic ways in which business is changing. The emphasis is on teaching students to use accounting information to best manage an organization. Each chapter is written around a realistic business or focus company that guides the reader through the topics of that chapter. There is significant coverage of contemporary topics such as activity based costing, target costing, the value chain, customer profitability analysis and throughput costing while also including traditional topics such as job order costing, budgeting and performance evaluation. Many of the real world examples in the Management Accounting Practice boxes have been revised and updated to make them more current and several new examples have been added. This Global Edition has been adapted to meet the needs of courses outside the United States and does not align with the instructor and student resources available with the U S edition.

*Fundamental Managerial Accounting Concepts 7e* Thomas Edmonds, Bor-Yi Tsay, 2014-09-16 *Fundamental Managerial Accounting Concepts 7e*      **Fundamental Accounting Principles** WILD, 2017-09-11 *Fundamental Accounting Principles*

**Ebook: Advanced Accounting** Joe Ben Hoyle, Thomas Schaefer, TIMOTHY DOUPNIK, 2014-10-16 The approach used by Hoyle Schaefer and Doupnik in the new edition allows students to think critically about accounting just as they will do while preparing for the CPA exam and in their future careers. With this text students gain a well balanced appreciation of the Accounting profession. As Hoyle 12e introduces them to the field's many aspects it often focuses on past controversies and present resolutions. The text continues to show the development of financial reporting as a product of intense and considered debate that continues today and into the future. The writing style of the eleven previous editions has been highly praised. Students easily comprehend chapter concepts because of the conversational tone used throughout the book. The authors have made every effort to ensure that the writing style remains engaging, lively and consistent which has made this text the market leading text in the Advanced Accounting market. The 12th edition includes an increased integration of IFRS as well as updated accounting standards.      **EBOOK: Accounting: What the Numbers Mean** David Marshall, Wayne McManus, Daniel Viele, 2013-02-16 Accounting has become known as the language of business. This new edition is written to meet the needs of those students who will not be accountants but who do need to understand accounting to learn the key language that embarks us in the business world. Marshall the leading text in the Survey market takes readers through the basics, what accounting information is, what it means and how it is used. The authors help students succeed through clear and concise writing, a conceptual focus and unparalleled technology support. In using this text students examine financial statements and discover what they do and do not communicate. This enables them to gain the crucial decision making and problem solving skills they need in order to succeed in a professional environment.      **Ebook: Managerial Accounting**
