Formerly published by Chicago Business Press, now published by Sage. Human Resource Management: An Applied Approach prepares future HRM professionals to effectively utilize strategies and tools to advance their careers and support the growth and development of those they manage. Author Jean Phillips adopts an engage-by-example method, encouraging students to take action and create a lasting impact in the field of HRM that goes beyond theoretical learning. The Third Edition features new end-of-chapter exercises, company examples throughout the book, and a new section called Using This Knowledge at the end of each chapter, providing additional support for knowledge application. Through case studies, videos, and exercises, students will develop their personal skills and gain practical experience in applying various HR concepts, enabling them to become better managers and more effective leaders.
