

Theme of Guilt in Hamlet & Fifth Business

There is one human emotion that can paralyse us, lead us to lie both to ourselves and others, to commit actions that we don't endure, and to cripple any rational thought processes. It is self-perpetuating if allowed to get out of control. Its side effects are anger, aggressiveness, fear or reclusiveness. Its symptoms are irrational behaviour, lying, anguish, and lack of self-esteem. It is the strong emotion that can affect our conscience, like an acid drop it corrodes the soul within and in extreme conditions it demolishes one's life, it is better known as guilt.

Guilt is a reoccurring theme in Robertson Davies' *Fifth Business*, and William Shakespeare's *Hamlet*, that is demonstrated by various characters including Dunstable Ramsay, Paul Dempster, Hamlet and Claudius and this essay shall compare the theme of guilt between the two literatures. In the novel *Fifth Business*, guilt is a plague that has spread throughout the lives of Dunstan Ramsay, and Paul Dempster; both characters are drenched with guilt that was a result of a tragic incident caused by Percy Staunton Boyd when he threw the snowball and it "hit Mrs. Dempster on the back of the head." (Davies, 2).

Dunstan experiences guilt early on in his childhood, realizing it is him who ultimately caused the premature labour of Paul, "Nevertheless this conversation reheated my strong sense of guilt and responsibility about Paul." (Davies, 136). As the guilt overtakes his life, Dunstan compares what he is feeling to what dying feels like and questions whether that would be better than dealing with this overwhelming guilt: "Ah, if dying were all there was to it! Hell and torment at once, but at least you know where you stand. It is living with these guilty secrets that exacts the price" (Davies, 19).

Born prematurely, Paul Dempster was convicted of being guilty as he was responsible for robbing his mother of her sanity, as explained to him by his father, Amasa Dempster, "My father always told me it was my birth that robbed her of her sanity. So as a child I had to carry the weight of my mother's madness as something that was my own doing." (Davies, 148). Moreover Paul was forced to feel the guilt at a young age, causing him to become frustrated, and that is when he decides to escape from Deptford and runs away with Le grand Cirque forain des St. Vite (Davies, 148), "He was my only teacher till I ran away with a circus." (Davies, 265). Equivalently in the play *Hamlet*, the theme of guilt was developed through Hamlet and his most hateful enemy, King Claudius.

Hamlet experiences guilt when he recognizes that he has not yet avenged his father's death and in Act I Scene ii Hamlet reveals that he is upset and disappointed with himself, as he has not taken any actions to attain revenge from Claudius, the murderer of his father. Hamlet then calls himself, "a peasant slave" and questions, "What's Hecuba to him, or he to Hecuba, That he should w

Shakespeare Meets the Indian Epics Mohan Gopinath, Sabina Zacharias, 2023-06-16 This book demonstrates that people writing and creating characters almost 6 000 miles apart and in different centuries have a lot more in common than one might expect It examines the day to day themes appearing in two epics The Ramayanam and The Maha Bharatham and some of Shakespeare s plays without entering into the realm of philosophy The book reveals that whatever backgrounds people may have they ultimately tend to tackle life in very similar ways and this claim is substantiated with many pertinent examples The perspectives presented in this book will be of interest to all who study literature
