Constitution Study Guide of the State of Illinois and United States ,1998 South Carolina's Turkish People Terri Ann Ognibene,Glen Browder,2018-04-15 The story of misunderstood immigrants and their struggle to gain recognition and acceptance in the rural South Despite its reputation as a melting pot of ethnicities and races the United States has a well documented history of immigrants who have struggled through isolation segregation discrimination oppression and assimilation South Carolina is home to one such group known historically and

derisively as the Turks which can trace its oral history back to Joseph Benenhaley an Ottoman refugee from Old World conflict According to its traditional narrative Benenhaley served with Gen Thomas Sumter in the Revolutionary War His dark hued descendants lived insular lives in rural Sumter County for the next two centuries and only in recent decades have they enjoyed the full blessings of the American experience Early scholars ignored the Turkish tale and labeled these people tri racial isolates and later writers disparaged them as so called Turks But members of the group persisted in claiming Turkish descent and living reclusively for generations Now in South Carolina s Turkish People Terri Ann Ognibene and Glen Browder confirm the group s traditional narrative through exhaustive original research and oral interviews In search of definitive documentation Browder combed through a long list of primary sources including historical reports public records and private papers He also devised new evidence such as a reconstruction of Turkish lineage of the 1800s through genealogical analysis and genetic testing Ognibene a descendant of the state s Turkish population conducted personal interviews with her relatives who had been in the community since the 1900s They talked at length and passionately about their cultural identity their struggle for equal rights and the mixed benefits of assimilation Ognibene s and Browder s findings are clear South Carolina s Turkish people finally know and can celebrate their heritage
