Effective Patient Education: A Guide to Increased Adherence Donna Falvo, 2010-02-26 This title is Print on Demand. Please note orders can take 4-6 weeks to fulfill. Written by a nursing expert and former Chair of patient education for the Society of Teachers of Family Medicine, *Effective Patient Education: A Guide to Increased Adherence* Fourth Edition gives clinicians the tools they need to become effective patient educators. Using a patient-centered approach, this essential text provides specific strategies for communicating in a way that motivates patients to take action. Crucial to this approach is an understanding of the patient as a partner in the patient education process. The text uncovers patient concerns and challenges that may interfere with patient adherence to recommendations, enabling clinicians to gain insight into their patients and devise communication strategies that can empower patients to overcome obstacles. In addition, this completely revised and updated edition explores the challenges that clinicians may face in conducting patient education. Using case examples to illustrate key points, this text moves beyond theory to offer practical application principles for the real world. Featuring a clinical approach in examining established patient education theories, *Effective Patient Education: A Guide to Increased Adherence* Fourth Edition is an invaluable guide for nursing students and professionals. The Fourth Edition includes chapters on Enhancing patient motivation, Building an effective patient education team, Patient-centered teaching model, Instructional aids including internet and web-based resources. 2011 496 pages. *The Facts on File Guide to Research* Jeff Lenburg, 2014-05-14 *The Facts On File Guide to Research* is a comprehensive guide to doing thorough and accurate research. It includes a detailed listing of available resources and explains general research methods and proper citation of sources. An invaluable reference, this book helps researchers make use of the many new resources available today. Divided into four sections, this easy-to-use guide helps students and general readers prepare for research papers and class studies. Step-by-step guides, detailed explanations, and valuable appendixes covering style guides such as APA, MLA, and *The Chicago Manual of Style* combine to create an incredibly authoritative, accessible reference. **Lead Your Way to Better Healthcare** Margo Corbett, 2006-09 It's Time to Make a Difference.
