Committee on Banking, Housing, and Urban Affairs,2013 **Financial Consumer Protection in Ireland A Review of the Central Bank of Ireland's Supervisory Functions** OECD,2024-12-16

An effective and comprehensive financial consumer protection framework is essential to support consumer trust in the financial system and their ability to use financial products This report assesses the financial consumer protection supervisory functions of the Central Bank of Ireland against the G20 OECD High Level Principles on Financial Consumer Protection the international standard in this area It identifies areas for improvement and provides recommendations to further strengthen the Central Bank of Ireland s financial consumer protection supervisory functions **Federal Register** ,2014

Responsible Consumer Financial Protection Regulations Act of 2013 United States. Congress. House. Committee on Financial Services,2014 *Meltdown* Larry Kirsch,Gregory D. Squires,2017-03-09 Meltdown reveals how the Consumer Financial Protection Bureau was able to curb unsafe and unfair practices that led to the 2008 financial crisis In interviews with key government industry and advocacy groups along with deep archival research Kirsch and Squires show where the CFPB was able to overcome many abusive practices where it was less able to do so and why Open for business in 2011 the CFPB was Congress s response to the financial catastrophe that shattered millions of middle class and lower income households and threatened the stability of the global economy But only a few years later with U S economic conditions on a path to recovery there are already disturbing signs of the re emergence of the high risk high reward credit practices that the CFPB was designed to curb This book profiles how the Bureau has attempted to stop abusive and discriminatory lending practices in the mortgage and automobile lending sectors and documents the multilayered challenges faced by an untested new regulatory agency in its efforts to transform the broken but lucrative business practices of the financial services industry Authors Kirsch and Squires raise the question of whether the consumer protection approach to financial services reform will succeed over the long term in light of political and business efforts to scuttle it Case studies of mortgage and automobile lending reforms highlight the key contextual and structural conditions that explain the CFPB s ability to transform financial service industry business models and practices Meltdown The Financial Crisis Consumer Protection and the Road Forward is essential reading for a wide audience including anyone involved in the provision of financial services staff of financial services and consumer protection regulatory agencies and fair lending and consumer protection advocates Its accessible presentation of financial information will also serve students and general readers *The Consumer Financial Protection Bureau* United States.
