Consumer Behavior Roger D. Blackwell, Paul W. Miniard, James F. Engel, 2006 CONSUMER BEHAVIOR 10th Edition offers a practical business approach designed to help students apply consumer behavior principles to their studies in business and marketing to their future business careers and also to their private lives as consumers. This multi-disciplinary field can tempt both students and instructors to stray from the basic business principles they should take away from the course. Blackwell keeps students focused on consumer decision making as it applies specifically to an overall understanding of business theory and practices through the CDP Consumer Decision Process model. CONSUMER BEHAVIOR 10e focuses on why as well as how consumers make specific decisions and behave in certain ways: what motivates them, what captures their attention and what retains their loyalty, turning customers into fans of an organization.

Consumer Behaviour Jim Blythe, 2013-03-26 Electronic Inspection Copy available for instructors here. Why do you choose the things you buy such as this textbook, a smartphone or an item of clothing? How often, where and instead of what? What do you consider a boring necessity or a fun luxury? What do you do with products once you've purchased them? When do you decide to chuck them and why? As a consumer you make conscious and unconscious decisions nonstop every day of your life. This is Consumer Behaviour. This friendly, lively, full-colour text will support you through your course and help you to get the best possible grade for future employment. It even has 'How to Impress Your Examiner' boxes in each chapter. There are lots of case studies along the way from global brands such as Facebook, Apple and Amazon Kindle, and 'Consumer Behaviour in Action' boxes in every chapter to show you how it works in the real world. If you want to be top of the class you can push yourself that little bit further by reading the 'Challenging the Status Quo' asides which will help your critical thinking and problem-solving skills. These are key skills that employers look for in graduates, so practicing now will help set you apart from the pack and boost your employability. You could also dip into the 'Further Reading' resources to help you with essays and exam revision; using these is a sure route to better grades. Visit the companion website www.sagepub.co.uk/blythe for extra materials including multiple choice questions to test yourself and Jim's pick of YouTube videos that make the examples in each chapter come alive.
